University of Oregon Notes.

EGERS, Or., Dec. 2, 1899.

EDITOR THE DALLES CHRONICLE:

"Oh the hayseed score was nothing, U. of O.'s was 28. On the hayseed score was nothing, U. of O.'s was 28. On the hayseed score was nothing, U. of O.'s was 28. The Varsity surely won."

"In Tommy Gatch's museum we placed the hayseed team. In Tommy Gatch's museum we placed the hayseed team. In Tommy Gatch's museum we placed the hayseed team. The Varsity surely won."

"June: Tom Brown's body lies, etc."

The place was the University of Oregon football field; the time, Thanksgiving afternoon; the occasion, the winning of the proud title of "Champions of Oregon" by our redoubtable little eleven; the song, well it was the vent of the pent up feelings of an enthusiastic collection of young collegians as ever were seen in Oregon; they sang, they yelled themselves hoarse, they blew horns, rang bells, carried the heroes on their shoulders and fairly hugged each other in the delirium of their joy. The excitement was tremendous for it was said the "farmers" had a better team than ever before and it was expected the game would be a hard, close one, so when Oregon made touchdown after touchdown in rapid succession, enthusiasm knew no bounds. It certainly was a great victory, and only shows in another way what rapid strides the University of Oregon is making in the athletic line, as she is also in every department.

The Glee Club concert on Thanksgiving night was a great success technically, popularly and financially. The club is finer than ever before and is pronounced by musical experts who have heard both sing this year to be superior to the Glee Club of the University of California. Those cities in Eastern Oregon which are included in the Christmas schedule are most fortunate and those who are wise enough to attend will listen to a treat which they will not soon forget. There is heartiness and earnestness to the singing of college boys which lends to it a fascination peculiar to itself and when in addition to this they are possessed of remarkable voices and led by a director second to none in the state they are veritable "Spellbinders."

The Freshman try-out debate took place Friday evening and the class will send to Portland in January as its team F. A. Strange, E. F. Blythe and Ben Wagner. The judges were Dr. Strong, Prof. Glen and Rev. Brooks.

All classes were suspended from Wednesday until the Monday following Thanksgiving, also the literary societies did not meet this week so there is a scarcity of news in general.

STRIDENT.

He Fouled the Surgeons.

All doctors told Renick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Arnica Salve, the sweet Pile cure on Earth, and the best Salve in the World. 25 cents a box. Sold by Blakely & Houghton Druggists. 4

Miss Annie E. Gunning, Tyre, Mich., says, "I suffered a long time from dyspepsia; lost flesh and became very weak. Kodol Dyspepsia Cure completely cured me." It digests what you eat and cures all forms of stomach trouble. It never fails to give immediate relief in the worst cases.

THEIR MEMORY KEPT GREEN.

Cascade Lodge No. 305, B. F. O. E. Meet in a Lodge of Sorrow Yesterday.

There are some to whom the thought of being remembered is not a sweet one, and the pang of death are somewhat lessened if we but feel that in the hearts of those we love our memory will still live. The idea of memorial day as carried out by the Elks, is therefore a custom worthy of an order whose object is to care for and protect those in need and to keep evergreen the memory of their brothers after death. If in their social functions the Elks neglect not the slightest iota which would enhance their success, neither do they when it comes to preparing for the exercise in which they honor their dead, and each year as they gather, some new feature is introduced which will the more firmly impress upon them the memory of those who have passed to the lodge above.

Through all the beautiful decorations of purple and white, the potted plants and flowers and other artistic arrangements so gracefully in evidence about the hall yesterday, somehow the band of crape seemed to show forth with added significance and the session was a lodge of sorrow in every sense of the word, the suppressed feeling of renewed sorrow at the recent death of one of their number being very evident throughout the exercises, the tolling of the bell in answer to the names of George Clacking, Owen Williams and Orin S. Wand at roll call, only intensifying it.

The exercises throughout were beautiful, the opening of the lodge being a fit prelude to what followed. Rev. D. V. Poling made the opening prayer, and was followed by Miss Myrtle Mitchell who sang in clear, sweet tones a very touching and appropriate selection, "A Dream in Paradise."

Next came the address, and as Mr. W. I. Dovell, of Walls Walla, arose and addressed the lodge, each listener was at once struck with the peculiar richness of his voice, which is in itself a gift much to be envied and more than half of the success of a speaker. But without it Mr. Dovell's address would have fully reached the excellency which all had anticipated. His language is perfect, every sentence being rounded out and falling upon his hearers in a most pleasing manner. The perfect faith which the speaker expressed in regard to the all-wise dealings of an all-wise Creator, and the optimistic view of death taken by him and which was expressed in such an eloquent manner, could not fail to have the desired effect on his hearers and particularly on the members of the order who commemorated the memory of their deceased brothers. One of the highest compliments which a speaker can receive is when those who listen to him deem his address all too short, and such was the opinion of those who heard Mr. Dovell yesterday.

A male quartet, composed of Prof. Landers, D. V. Poling, Dr. O. D. Doane and Prof. A. W. Lundell, sang "One Sacred Solemn Thought," the arrangement being very pretty and well suited to their voices. Judge W. L. Bradshaw then gave a touching eulogy in which he spoke in a tender manner of the lives of those whose memory they had met to perpetuate. He recounted the death of each and the peculiar circumstances attending their demise, speaking of one passing away in the morning of life, the other at the noontide and the other at the evening hour, drawing therefrom the lesson that death is certain and the time of its advent most uncertain. He spoke of the lessons to be gained therefrom and what their effect should be on the lives of those who remain in the lodge militant. The quartet sang that beautiful selection which never grows old, "Nearer My God to Thee," after which the closing exercises of the lodge took place, and Rev. D. V. Poling made the closing prayer.

PAPS COUNCIL TOGETHER.

Father Stephens in the Chair—Minor City Business Transacted.

Mayor Kock being absent in the East, Councilman Stephens was chosen president of the council meeting last night and there were present Councilmen Keller, Clough, Johns, Shackelford, Gunning, Kelly and Wilson.

After the minutes of the previous meeting had been read and approved, a petition was introduced from the South Side Hose Company, praying that the city place an electric light in front of their hose house on Kelly avenue. On motion of Gunning it was referred to the committee on fire and water.

A communication from J. F. Moore and J. E. McArthur, representing the board of fire delegates, recommended that the city enter into a contract with the Senfert & Condon Telephone Company to furnish and maintain power to operate the new fire alarm boxes which are to be put in in the city. Johns moved that the matter be referred to the committee on fire and water, a report to be given in at the next meeting. Carried.

The claim of L. Robinson for \$18.40, balance due him on the sale of his horse by the city, was ordered paid.

Councilman Kelly expressed the opinion that the rock crusher, which is owned by the city and county, should be sold, as no benefit is being received therefrom. The question was referred to the committee on streets and public property.

Sacrificed to Blood Poison. Those who have never had Blood Poison can not know what a desperate condition it can produce. This terrible disease which the doctors are totally unable to cure, is communicated from one generation to another, inflicting its taint upon countless innocent ones. Some years ago I was inoculated with blood by a nurse who infected my babe with poison. The little one was unequal to the struggle, and his life was strangled up to the fearful poison. For six long years I suffered untold misery. I was covered with sores and ulcers from head to foot, and no language can express my feelings of woe during those long years. I had the best medical treatment. Several physicians successively treated me, but all to no purpose. The mercury and potash seemed to add fuel to the awful flame which was devouring me. I was advised by friends who had seen wonderful cures made by it, to try Swift's Specific. We got two bottles, and I felt hope again revive in my breast—hope for health and happiness again. I improved from the start, and a complete and perfect cure was the result. S. S. S. is the only blood remedy which reaches desperate cases. Mrs. T. W. LEE, Montgomery, Ala. Of the many blood remedies, S. S. S. is the only one which can reach desperate, violent cases. It never fails to cure perfectly and permanently the most desperate cases which are beyond the reach of other remedies. S.S.S. For The Blood is PURELY VEGETABLE, and is the only blood remedy guaranteed to contain no mercury, potash, or other mineral. Valuable books mailed free by Swift Specific Company, Atlanta, Georgia.
