Attention, Horsemon

TYGH VALLEY, Or., June 18, 1900. EDITOR CHRONICLE:

I hand you herewith a notice to horse owners that I hope you will publish at the earliest opportunity, for I deem the matter of very great importance to every owner of a horse in the county. I am advised by the state veterinarian that mange is a highly contagious disease. He recommends as treatment that 15 pounds of sulphur and 116 pounds of unslacked lime be boiled in a gallon of water and daily applications made. Or any good sheep dip used at five times its strength for sheep.

Anyone can readily see that if this disease should get well scattered among public and private stables, it would be a task of giant proportions to ever get entirely rid of it again. By united Any delay only makes the matter worse.

I would request that every person knowing of cases of this discase would whereabouts and who the owners of the A. A. BONNEY.

OWNERS OF HORSES TAKE NOTICE. Information having been filed in my office that numerous cases of mange ing horses so afflicted to immediately remove said horses from the public ed, and to immediately treat said afflict ing in his or their possession horses diswith other healthy stock, will be dealt with according to laws made and pro vided to cover such cases.
