tion."

Mrs. W. Lord left on this morning's boat for Portland.

Bartholdi Parodi was a passenger on the boat this morning for Sprague

Judge A. S. Bennett left on the noon train to join his family at Clatsop beach.

Deputy Sheriff E. B. Wood came up from Mosier this morning in the family "coupe."

Prof. W. H. Hodson and Captain G. Billington are in the city from Klickitat county.

Mr. and Mrs. Ben Wilson left on the boat this morning to spend the month of August at Ocean Park.

I. N. Sargent and wife and Miss Rachel Morgan left'on this morning's boat to spend a month at Long Beach.

Miss Troshong, who has been visiting friends in this city, returned on this morning's boat to her home at White Salmon.

Walt. Bryant, who was formerly interested in the silica mines at Mosier, is for the coming world's congress. This epending his vacation at the home of Mrs. Mosier.

Rev. W. A. Stark, wife and son, Charles, Dr. H. G. Davis, and J. K. McCreggor and wife are in town today from Mosier.

G. W. Phelps, the Heppner attorney, spent last night in the city on his way home from Portland, and left for Heppner on the noon train.

Ed French left this morning for Seaview where he will open the French cottage and prepare it for the arrival of his wife and Miss Burke, who sail for the beach from San Francisco today.

Sam Cole, the Isaac Walton of Camas Prairie and Trout Lake, is a guest of the Umatilla House. Sam has the rep-utation of being able to catch trout wherever there is a little dew on the grase.

Mr. and Mrs. J. E. Wells and daugh-ter, Miss Maude, of Portage, Wis., ar-rived in the city on last night's train, and will spend a few weeks with Mr. Wells' sister, Mrs. Wm. Michell, whom Mr. Wells has not seen for nearly twenty vears.

C. L. Schmidt and wife and son, Ado'ph, returned last night from camping at the head of Neal creek. Mr. Schmidt says he never enjoyed camping out more than he did this year. He will go back in the near future and take the rest of the family with him.

Thursday's Daily.

Miss Lena Rose left this morning on a visit to friends in Portland.

John Howe took passage on this morning's boat on a pleasare trip down the river.

Tom Twohig and sister, Miss Kitty, left on this morning's bost for Collins Springs.

Patrick Radigan and J. Malone are registered at the Umatilla House from Antelope.

A. S. Mac Allister returned yesterday nal remedies. Hall's Catarrh Core is from sending six weeks at his ranch on the John Day.

Will Wurzweiler, a prominent Prine-ville merchant, arrived here from Shan-It was an prescribed by one of the best ike on the noon train.

Frank, Peabody, the painter, was in town today from Dufar.

Nathan Harris left on this morning's boat to spend a couple of weeks with his family at Ocean Park.

Mrs. C. M. Donnell left on this morning's boat to join The Dalies colony of campers at Cascade Locks.

Mrs. Burford left on this morning's

POINTS FOR A TOURIST. The Englishman, as Usual, Enjoyed Asking a Few Curlous Questions.

Jenkins is infamously belied by his countenance-a simple, frank and so

Chicago Followers of the Red Fiag ber physiognomy that induses all be Meet Sunday to Express Approval sugar with unworried blandness. He Of King Humbert's Marder, and board a steamboat in the Ningara river, below the falls. The English tour ist, like all of his kind, was anxious to ask questions. He fixed on Jenkins as a likely source of information, says the

New York Commercial Advertiser. "It's a fine river," he said.

"One of the finest in the world," Jen CHICAGO, Aug. 2 .- The Tribune says: kins unswered.

According to Mrs. Lucy Parsons, an in-"Could you tell me how deep the wa ternational congress of anarchists will ter is here?" be held in Paris next month. The an-

"About 200 feet just here." Jenkins replied, without hesitation. "It's deep er higher up."

"removal" of King Humbert and in-The tourist made a mental note of it cidentally will consider the preparation and Jenkins hoped the boat had not scraped the bottom as she left the information was obtained from Mrs. wharf.

"The current must be very strong." "Not on the surface," Jenkins replied, brazenly, "but the andercurrent

has been called by the heads of the makes 20 miles an hour. anarchists' organizations in the different "Well, well! Good fishing, I sup

countries of Europe and America, and "Not very good. The current, you will be attended by representatives from every country where anarchists maintain see, prevents the fish from coming up A few crabs and limpets craw! along an orginization. America will send only the bottom."

one representative. A New York teacher, "Well, well!" He looked at the water who is a native of Switzerland, who with a new appreciation. "Have a ci-

gar?" he said "What is the purpose of the congress?" Jenkins took one as if he deserved it. said Mrs. Parsons, repeating the question "I'm a stranger to this country," the

put to her. "To map out a plan of action tourist explained. for the anarchists of the world, to bring "On, indeed!" said Jenkins. "You speak our language very well." the followers of anarchy into closer touch,

"Ye-cs," the other replied, doubtfuland to perfect a world-wide organizaly, "I appreciate your courtesy, you

> know. Jenkins nodded over his cigar.

"Suppose the boats do not run here Mrs. Parsons' black eyes snapped, but in the winter," the stranger went on she ignored the question until it was reanew. "The river freezes over?"

"Well, no," said Jenkins, "the water gets so heated at the falls it never freezes over."

The tourist looked another look at his informant.

"The friction there is very great," Jenkins hastened to explain. "You There are militant anarchists and philomay have read how a professor at sophical anarchists. The latter are Harvard made water boil by stirring it agitators and teachers and believe in vigorously. It is like that at the falls." organization. The former will not be-"I think I see that. Very curious. long to any organization, but believe in Well, well."

action, and each one acts independently of every one and in his own way. Bressi did not even tell his wife of his intentions." They had already passed out of the river into the lake. The stranger found a new wonder. A storm blowing

in shore, during the previous night, and stirred up the muddy bottom at the river mouth and discolored the shoal waters. A line of froth marked is a blood or constitutional disease, and the boundary of these yellow shallows and the deeper waters further out were listinctly blue beside them. The tourist remarked the difference to taken internally, and acts directly on Jenkins,

the blood and mucous surfaces. Hall's ary between the American and Cana-

> The tourist gaped at it a moment. 'Excuse me a moment," he said, rising with an eye still on the line of the roth, "I left my camera downstairs in

He hurried down the after companon way. Jenkins did not wait for his curing Catarrh. Send for testimonials, return.

Hall's Family Pills are the best. 12

what produces such wonderful results in

Emperor William Bellicose.

BEBLIN, Aug. 2 .- The papers print a Pat Fagan was a passenger on this morning's boat for Portland, from whence he will return and spend a few Hahenzollern, from Exodus, chapter Hahenzollern, from Exodus, chapter xvii:11: "And it came to pass when Moses held up his hand that Israel prevailed; and when he let down his hand Amalek prevailed." The subject was "The Holy Duty and Holy Power of Intercession." The reports show that the discourse was quite bellicose toward China. Of the soldiers going thither,

the imperial preacher said : "They shall be the strong arm which punishes assassins. They shall be the mailed fists which smite that chaotic mass. They shall defend, with sword

in hand, our holiest possessions ..... True prayers can still cast the banner of the dragon into the dust and plant the banner of the Cross upon the walls."

The National Zeitung, is a leading article on "America in China," says: "If the movement upon Pekin has now riod last year, an increase of 265. deserves great credit. Immediately after the United States minister, was received. the Middle West. a communication firmly regarded at all Walter H. Moore, the Moro banker, times in Washington as authentic, Mr. Hay insisted with all earnestness that

for a while that the American secretary Pekin, if necessary."

A Night of Terror.

"Awful anxiety was felt for the widow of the brave General Burnham of Machias, Me., when the doctors said she could not live till morning," writes Mrs. S. H. Lincoln, who attended her that fearful night. "All thought she must soon die from Pneumonia, but she begged for Dr. King's New Discovery, saying it had more than once saved her life, and had cured her of Consumption. Beach, from whence after a few days After three small doess she slept easily she will proceed to her home in Min- all night, and its further use completely cured her." This marvelous medicine is guaranteed to cure all Throat, Chest

and Lung Diseases. Only 50c and \$1.00. Trial bottles free at Blakeley's drug store.

The Day After.

Mrs. Mixer-Tell me the worst, doctor. Is my husband's condition serious?

Doctor-There is no cause for alarm, madam; he is now out of danger, although suffering acutely from enlargement of the cerebral glands. "But, doctor, how do you suppose it was brought on?"

"On a tray, probably,"-Chicago Evening News,

A Frightful Blunder
