LONDON, Aug. 17 .- The collapse of Chinese resistance is explained in dispatches from Shanghai as being due to the failure of the Chinese to flood the country below Tung Chow. The earthworks connected with the dam at Pei Ho Chow was full of water, facilitating boat transportation when the allies arrived there.

Signals between the allies and the legationers holding part of the wall at Pekin were exchanged during the morning of August 15 (Wednesday).

Medal Wanted for "Tip."

is today in receipt of a communication the outbreak was quelled. you a communication I received from a have departed. committee of former members of my A Berlin dispatch, dated this (Sunday) Company, requesting a Spanish War morning, says the German battalions medal for "Tip," the company mascot, which I heartily indorse. Tip is an English pug that belonged to one of the members of The Dalles company, which was consolidated with minc. He went over with us and went through the entire campaign and into every fight with us. There were two other dogs with the regiment, but neither of them went through the campaign, both remaining in Manilla. Tip, however is a veteran warrior, who has smelled powder and listened to the siren song of the Mauser bullet. When the regiment was mustered out Colonei Summers gave him a regular discharge, and now he wants the medal he earned by gallant service in the field."

the committee is signed by M. Bartell, tion was expected none was offered. J. O. Elton, and C. E. Sanders, who express their willingness to stand the expense of having said medal cast, which will cost 75 cents, and Governor Geer has ordered the medal made, which will seven miles of murching under a terrible be in the form of a plate cast from the borings of the cannon captured by the are prostrated. Second Oregon Volunteers from the Spaniards, and will bear the seal of the State of Oregon, together with the inscription: "For gallant service in the Philipines."

Towns to Follow Teddy.

will open the campaign at Duluth, engaged on the roads there. where he will make an elaborate address devoted mostly to answering Governor Recevelt. Later, Towne will tour Idaho, Oregon, Washington, and other western states, keeping close to Governor Roosvelt's path.

Mr, Towne will make an occasional trip through the South, speaking at Atlanta, Louisville, Memphis, Nashville, are being sent to the cannery on the and other important cities. Throughout it Washington side. So far as known will be Mr. Towne's mission to pay special attention to the republican vicepresdential nominee and to answer argoments made by the latter during the campaign.

The Chinese Converts.

WASHINGTON, Aug. 17 .- A cabinet official said today that unquestionably the native Christians in China, said to number several thousand, will be included in any arrangement made between this government and China incident to the cessation of hostilities. At the present stage of the Chinese situation the subject has not been seriously discussed by the cabinet, but there is no doubt, accord- al Kitchener in spite of the fact that all ing to this member, that the United the British wagons had double teams of States is to honor bound to protect them and will sacredly look out for their

security. "What will be done with them!" he pursuers were obliged to march in the

was asked. "That has not been decided; but rest

assured that in their disposition the honor of the United States will be fully REAL PLOT TO preserved. It may be arranged for them to go to the Philippines or one of many other places that are available may be adopted."

Shanghai the Storm Center,

LONDON, Aug. 19 -Whatever of Interest might attach to the events reported in the night's dispatches is destroyed by the capture of Pekin, as most of the LONDON, Aug. 17 .- "The allies have messages relate to matters preceeding mander of the Russian troops in Pl Chi-The foregoing, received from the Li, reports to St. Petersburg that Autrated 50 battalions of the best Manchu troops, commanded by General Tung Fuh Siang, but, losing courage, they retreated, not waiting for an attack to be made.

The eyes of the world, which have been fixed bitherto on Pekin, are turnwere unfinished and the canal at Tung sulting from the jestously and suspicion of the powers will possibly shortly assume a serious aspect. The British landed Goorkas and Bombay regiments Friday, and France is harrying 1700 Tonkin troops thither, some of whom are reported to have arrived already. The situation in the valley of the Yangtee Klang at Wu Chang is serious. SALEM, Aug. 17 .- Governor T. T. Geer Chang Chi Tung's troops mutinied, but

from H. L. Wells, former captain of Russia's campaign in Manchuria Company L, Second Oregon, U. S. detained are accused of plotting against the life of President McKinley.

It is understood that twelve men will be sent back to Europe at once on the ground that they are undesirable emigrants, but no warrant will be issued for their arrest. Marcesca and Guida will be placed under arrest and held until the arrival of the Naples authorities.

GON STRUCK

Assistance.-A Russian Bluffed Out.

San Francisco, Aug. 17 .- Mail advices from Yokohama, Japan, contain the following story in connection with the stranding of the Oregon on the Chinese coast recently:

The Chinese cruiser Haichi, comanded by Captain Sah, a thoroughly westernized officer, on her way from Taku to Che Foo, descried the Oregon in her perlious plight and offered her valuable assistance, which was most gratefully received by Captain Wilde. The Haichi anchored close by to be of further use intendent Goode, of the Yellowstone if needed. The next day a Russian cruiser came along. Her commander, comming aboard the Oregon, eyed the forest fire has broken out there, and is Chinese vessel with suspicion, and askeion of her. Captain Wilde nodded and

AGUINALDIST

McKinley .-- Antis Prolonged Filipino War.

New York, Aug. 20 .- Senator Willrepublican headquarters today and said part as follows:

"The United States went to war with Spain, urged on by the democratic party. The popularity of that war was in pairs from incoming ocean liners Kansas, west of the three easternmost such that Mr. Bryan joined the army, Disrupted Imperial Court Headed peace was entered into whereby the agents learned that an anarchist circle of the state, and the general opinion is United States agreed to pay \$20,000,000 in Naples had cast lots to determine that the Kansas corn crop will be the and accept the sovereignty and public Eleven Italians and three Austrians ments for feeding, that has been raised Archipelago. The was opposition to the ratification of the treaty. Mr. Bryan and it was through his influence that the treaty was finally ratified. It then became the duty of the United States to maintain law and order and protect the lives and property of all residents in the islands, whether native or foreign born.

"The United States at the time of the ratification of the treaty held military possession of Manila and immediately after such ratification assumed the soyerignty of the islands. The people of the United States, especially of the Pacific coast, became entitled to the vast commerce of the Pacific ocean, of which the Philippines furnish the key.

"One Aguinaldo had raised a rebellion in Luzon against Spain before the commencement of the Spanish war with the United States. This adventurer had sold out or settled his rebellion with Spain for \$400,000 before Dewey bargain with Spain Againaldo agreed to leave the islands and never return.

"Dewey took the wily Aguinaldo back to the islands, supposing, as a matter of course, that Aguinaldo would naturally be an enemy of Spain and a friend of dispatches. One received today from the United States. In this Admiral Tokio, dated August 19, says: Dewey was mistaken. Aguinaldo, as soon as he landed, organized a rebellion by the allied troops, the Chinese troops against the United States, which would on August 15 betook themselves to and have been of little consequence if he had remained in the Imperial palace. A not been able to obtain comfort and aid body of Japanese troops was told off to in this country. An organization was guard the place and there they met with formed in the United States called the obstinate resistance by the Chinese Scharf, aged 22, was beaten to death Anti-Imperialist League, which has for troops. Fighting is still going on.
