North Beach Road. LONG BEACH, Wash., Aug. 19.—It has been stated on what The Oregonian's correspondent considers undisputed authority that the Oregon Railroad & Navigation Company has bought the Ilwaco Railway & Navigation Company's line, running from Ilwaco to Nahcotta. President Mohler, of the O. R. & N., when seen last evening with reference to the foregoing telegram, denied that a sale had been made to his company of the property mentioned. It is known that negotiations have been going on recently between the two corporations looking to a purchase of the Ilwaco road by the O. R. & N., but Mr. Mohler's positive statement shows that they have not yet reached a final stage. It will not be surprising if the report shall be confirmed by later events. His Life Was Saved. Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid fever, that ran into Pneumonia. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise. CHINA NOW DESIRES PEACE

Appeals Through Li Hung Chang to the United States to Appoint Conger, or Some Other Official With Authority, to Consider the Terms of Adjusting the Present Trouble.

WASHINGTON, Aug. 20.—The Chinese government, through Li Hung Chang, has made application to the United States for the appointment of Minister Conger, or some other American official with authority to open negotiations for the establishment of peace and fixing definite terms for the settlement of the present trouble.

The application came to the Chinese minister today, and was taken by him to the state department.

Li Hung Chang's application for the appointment of a peace commissioner expresses willingness to conduct the negotiations at a point desired by the powers, and it is expected that this will be Pekin or Tien Tsin.

A similar application has been made by Earl Li to all of the powers interested. His suggestion of Minister Conger as commissioner is based on the idea that as Minister Conger has been rescued he has now the opportunity to proceed to the point where the negotiations will be held and conduct them. The application does not suggest any particular terms nor does it ask for the withdrawal of troops. It requests that the negotiations shall be for the purpose of bringing about a cessation of hostilities.

No Right to Ugliness. The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at Blakeley's drug store.

Broke World's Record. PITTSBURG, Aug. 19.—P. C. Kuox, a member of the Allegheny county bar, today broke the world's record by personally driving his trotting team, Wert and Dr. Leek, a mile in 2:10 1/2. The world's professional record was made in 1886 by Geers, driving Justina and Lady Mac, a mile in 2:12 1/2. The trial today, while not a technical test, was made for the purpose of breaking the record, and was in the presence of forty spectators on the Burnet Island Gentlemen's Driving Park mile track. Twenty watches were held on the horses, and a large majority of them recorded 2:10 1/2.

During last May an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Brookwater, Ohio.
