HIS POWERS TESTED

A GIFTED HEALER

Edw. Olney was visited by a citizen of our city who, after investigating the healer, claims and pronounces him a remarkable man. When interviewed the gentleman said:
In the person of Mr. Olney I found a man of profound significance. He has a gift—call it what you will—that is beyond my comprehension for power he does possess. I was never very interested in this sort of a thing, but having a roaring in my ears I desired to see what he could do. He cured me all right, and while there a gentleman whom I know positively to have been crippled with rheumatism for two years was healed and was able to put on his coat without aid. I was dumfounded and do not hesitate to say that he is beyond me. I did not mention my experience to my friends and relatives for fear they would discredit my sanity or consider me too credulous. However, I would advise everyone sick and suffering to see Mr. Olney and be healed. He is always glad to meet you and invites everybody to call on him and get a free booklet and explanation of his work.

No greater service has been rendered to womankind than the giving by Dr. Fredrick K. Stearns of his remarkable prescription for the many weaknesses with which women are afflicted.

This great remedy is being placed on the market by the New York and London Drug Company and is labeled "Nyal's Vegetable Prescription," "a boon to womankind"

The local drug firm, Fullerton & Richardson, are agents for Roseburg. They report as follows:
"Nyal's remedies are superior to all of the highly exploited patent medicines, but the best of the Nyal's line is the "Vegetable Prescription."
"During the many years we have sold drugs in Roseburg we have never heard as much favorable commendation of any other medicine. Nyal's Vegetable Prescription has received the praise of every woman who has used it.
Other Nyal's medicines which are worthy of mention at this particular season are:
Nyal's Baby Cough Remedy for colds. Relieves difficult breathing.
Nyal's Croup Ointment.
Nyal's Cod Liver Oil Compound without the oil. It is better than "Vinol" or Emulsion of Cod Liver Oil and is an ideal system builder and tonic.
