SATURDAY, DECEMBER 4, 1909.

The County Court of Multnomah has given notice that it pays no more bills for auto hire for the grand jurors, and the Portland papers say the autos were used for "joy rides". Is that not a tough story on the moral metropolis of Oregon?

Abraham Reef is out of jail on a \$300,000 bail. Now that Spreckels no longer controls the courts and the detective system of manufacturing evidence to suit the case is about to be abolished in San Francisco, it is quite probable that being out of jail Reef will stay out. The next thing the public will hear will be his death or complete discharge. He is one of the greatest of San Francisco lawyers, and it is a pity he was not more satisfied with that honor and kept closer to a course consistent with it.

COMING! COMING!

Benjamin Young, D. D., the Giant Preacher of the Northwest, now pastor of the Taylor street Methodist church of Portland, has been secured by the local Methodist church to give his address on "The man of Nazareth" at the Methodist church next Thursday evening at 8 p. m. There will be no charge at the door but a free will offering will be taken at the close of the lecture to defray expenses in securing this able orator. The address to be given is this great preacher's master piece, and is such as appeals to the logical mind, yet so simple that a child may understand. There will be nothing better come to Roseburg this season.
