It's usually the man who seeks to do others that gets stung.

At the present price of pork it is a compliment to be called a hog.

Some people do not care to lay up treasures in heaven for fear that they will never get there to enjoy them.

"What's worth doing at all is worth doing well," and this even applies to thieves. The man who steals only \$1.50 goes to jail, but the man who "misappropriates" \$150,000 gets a job as a railway president.

An eastern society woman declares a woman can't dress on less than \$20,000 a year. We are willing to take our oath that there are many who cut two eighths off that amount and cover more than those who spend the larger amount.

One of the reasons given for the present high prices which make up the cost of living is the great increase in the production of gold. With the increased production the actual market value of gold naturally declines. During the year 1909 there was a general advance in the development of gold mines, and it is estimated that the output in the United States increased \$4,600,000 over 1908, or a total of \$99,000,000.

The president and postmaster-general should investigate before they attack rural delivery and hear what the people in the rural districts have to say in regard to depriving them of their daily mail. Congress never did a finer thing for the country people than when they established rural free delivery service, and if it were discontinued there would be such a protest go on from the north, south, east and west that our friends in congress would lend a listening ear. Even Taft would feel the shock. With the exception of the pension appropriation, there is no money so well spent as that which brings the farmer's mail to his door and gives employment to a large number.

HANNA RETIRES.

Was Judge of Southern District for Many Years.

On Monday last at the meeting of the circuit court in Jacksonville, Judge Hanna was presented by William M. Colvig, in behalf of the bar association of Southern Oregon, with a beautifully engraved gold watch, on his retirement from the bench. The occasion was one of deep interest and showed with telling effect the esteem in which the judge was held by the entire bar of the district. It so happened that George H. Durham was the only Grants Pass attorney who was present.

In accepting the gift, which came as a complete surprise to him, Judge Hanna was overcome with emotion and for a few moments was unable to reply.

Speeches were made by C. L. Reames, W. L. Vawter, E. D. Briggs, Judge Calkins, George H. Durham and other members of the bar in appreciation of Judge Hanna's work on the bench.

A Great Show Coming.

"The Military Girl," the operatic extravaganza which is to be given in Armory hall on Wednesday and Friday next, will undoubtedly be the event of the season. Thirty young ladies and ten young men have rehearsed faithfully under the professional eye of Fred Carlsie and are rapidly coming to the point of perfection. It is wonderful what has been accomplished by the participants under a professional director. Every stunt and item goes with a clean dash and the comedy is well brought out. The seats were put on sale this morning at Marsters' drug store, and as was expected there was quite a rush.

B. A. Hunsaker, the Dillard merchant, was a visitor in the city yesterday.

should levy a uniform or general road tax. Among the Drain citizens who responded were Benton Meyers, Ira Wimberly, Dr. Wade, N. D. Cool and Mayor Reed.

At the conclusion of the address Chairman Neuner thanked the members of the Drain commercial organization, the people of Drain, and especially the ladies, for the manner in which they had provided entertainment. During his address, Mr. Neuner also spoke of the moshackism so prevalent in Douglas county in years past and urged that it be dispelled at once to make way for a more progressive spirit.

At the conclusion of the meeting the visitors repaired to the Perkins Hotel where they remained until this morning. Awakened shortly after 1 o'clock the party were breakfasted after which they proceeded to the depot, and thence to Sutherlin on this morning's train, No. 13.

At Sutherlin and Oakland. Upon the arrival of the party at Sutherlin this morning they were taken in tow by the officers of the Luse Land and Development company, and were given an opportunity to view the vast improvements made in that valley during the past two years. At noon they partook of a bounteous spread served at the Sutherlin Inn, followed by a trip to Oakland by private conveyance. The party will arrive home this evening after one of the most delightful events in the history of Douglas county.
