Drain Ladies Organize—The people of Drain will meet tonight in order to arrange for their proposed trip to this city next Wednesday. The ladies of the town will also hold a meeting this evening for the purpose of organizing a ladies' auxiliary society to aid in the publicity work for that community.

Win a Prize—Who will win the prizes offered for those who bring the greatest number of recruits to the Commercial Club during February? Take a look at the prizes offered—they can be seen in Clingenpeel's jewelry windows—and then get busy. A number of the ladies of the auxiliary are doing good work along this line, and some of the young men are also hustling for members to the club. The opportunity is a chance for some one to get a valuable prize, and the moral...

Some Promising Colts—Speaking of colts sired by Bon Voyage that have made records as 2-year-olds, the Rural Spirit says: "The young Bon Voyages are a parcel of colt trotters. Bon Voyage was a futurity winner himself and trainers have been in general expectation that his descendants would early get on the roll of honor. In view of the fact that Bon Voyage has been favored with very many high class mares, his place in the 'great stable' should be conspicuous before many years. His present list, all 2-year-olds, is a good showing for a young sire. Included are Bon Vivant, 2:16 1-4, fastest colt record of 1909; Sweet Bok, 2:17 3-4, winner of the Breeders' Futurity; Voyageur, 2:24 1-4, Bonaday, 2:27 1-2, winner of the two-year-old race at Salem, 1909, with about a dozen others showing fast trials in their two-year-old form and a bunch of yearlings showing the speed of mature trotters." Bonaday is owned by F. E. Alley, of Roseburg, proprietor of Bonaday Stock Farm, one of the finest ranches in Douglas county.

Valentine Dance—A special dance will be held at Maccabee Hall on Monday evening, February 14, St. Valentine's day. Good music will be provided and a good time is assured all who attend.

Petitioners Sustained—The Oregon railroad commission has handed down a decision sustaining the petition of John Botcher and others against the S. P. company for a spur track on the line at Edenbower. The decision sets forth the finding of fact that the business at Edenbower justifies the installation and maintenance of a spur to accommodate at least three cars, and also finds that sixty days is sufficient and reasonable time for the railroad company to construct the spur. The remainder of the petition asking that Edenbower be made a flag station is dismissed. The hearing was held in the circuit court room on the 10th instant and was the first meeting of the commission to be held in Roseburg. The commission consists of Thos. K. Campbell, Clyde B. Althoff and Oswald West.

Receives New Ledger—The new tax ledgers have just been received at the sheriff's office. The new ledger is a formidable looking volume, and makes the sheriff's deputies tremble in the knees and shift uneasily from foot to foot just to look at it. There are 127 school districts in the county that have voted a special tax this year, and 37 road districts have voted a special road tax. As a consequence the tax ledger contains two sub-leaves and is just one thousand and twenty inches long, exact measurement. As each special tax, in posting, must be carried from the tax receipt to the appropriate column in the ledger, and that column, like the storied Winchester when Sheridan set out to find it, "150 miles away," and lost in the mazes of parallels and perpendiculars, it will be seen that the job of posting the tax ledger this year is calculated to perplex even a Pinkerton detective agency with all of Philadelphia's proverbial legal acumen thrown in.

Effect Permanent Organization—The following letter written by Will Q. Brown, of Riddles, directed to and received by George Neuner, Jr., secretary of the Roseburg Commercial club, indicates that the recent get-together excursion of the club accomplished its purpose in stirring up renewed interest in civic activity in the adjoining towns: "I am in receipt of the by-laws you so kindly sent," writes Mr. Brown, "and sincerely thank you. We held a meet-

ing at Riddles Tuesday evening and effected a permanent organization, with a membership of 49. The ladies formed an auxiliary with 26 members. B. F. Nichols was made permanent president of the new organization, and W. T. Johnson was elected secretary.

Arrested at Bandon—District Attorney George M. Brown received a telephone message today that Sheriff Norman Tyler had just arrested at Bandon a man who tallies with the description of the supposed assassin of the California citizen who was murdered on Pistol river, twelve miles below Gold Beach, presumably by his companion, several days ago. The sheriff stated that the suspect would be taken to Gold Beach.

Eminent Speakers Coming—Among the gentlemen who will address the people in this city next Wednesday are Hon. O. P. Coshov, who will speak against the proposed county division scheme; Aman Moore, president of the Portland Cement Co. who owns large properties on Roberts Creek in this county, will address the audience on the subject of "Oregon and Its Manufacturing Possibilities." Dr. Andrew C. Smith, of Portland, will talk on the theme of good roads, and A. H. Carson, the tokay grape grower of Grants Pass will talk on his favorite topic, "Fruit Growing," and few men in the state are better qualified to discuss this timely subject.

Examinations Concluded—The teachers' examinations, which have been in progress at the county court house during the past three days, were concluded this afternoon. The pretty applicants for pedagogical certificates lined up in front of the court house and had their picture "took" by Photographer Clark. In the meantime County Superintendent of Schools Thurman Chaney, Prof. L. L. Baker and J. W. Groves, are pounding, plodding, perusing away at the formidable mass of examination papers before them. In an effort to give the candidates their gradings at the earliest possible moment, the markings will probably be given out tomorrow afternoon.

Deadlock Still On—The deadlock between Roseburg and Eugene as the seat of the next annual district fair still continues. The adjourned meeting of the directors was held in Secretary Micell's office today at 2 o'clock and after animated discussion and fruitless balloting, the association adjourned without action until the 5th of March. The directors present were Messrs. H. T. Holtenback and Amos Wilkins, of Eugene; F. E. Alley, R. B. Dixon, W. W. Cardwell and Eugene Parrot, of Roseburg; Jack Rodman, president of the local association of Eugene was also present and championed the claims of his home city.

\$400,000 FOR HARBOR AT COOS BAY
Under date of February 11, Congressman W. C. Hawley wired Hon. J. A. Buchanan of this city as follows:
"Have obtained an appropriation of \$50,000 for the Willamette river in my district, including the Yamhill river for next year. Rivers and harbors appropriation will be made annually hereafter. Have obtained \$27,840 for the Coquille river, and smaller amounts for other places. The report on the Oregon City locks was not ready in time, but will endeavor to have the appropriation therefor inserted in the senate, and believe it can be done."

Collections are Good—Marshall Huffman informs The News he is meeting with excellent success in collecting licenses from the business men and the tax on dogs. Nearly \$600 will go into the city treasury today as the result of the marshal's energy.

Raising a Neat Sum—Manager Darby Richardson is busying himself today in raising a sum of money to be turned over to the Ladies' Auxiliary to assist in defraying the expenses of preparations under way for the visitors who will be in the city Douglas County Day. Already a neat sum has been subscribed by local business men.

School Board in Session—The school board met this afternoon at 4 o'clock for the purpose of taking action on the installation of a new heating plant and other improvements for the Lane school building. This successor of Miss Clark, lately resigned as instructor in languages at the high school will probably be elected also.

TWO AGED WOMEN LOSE LIVES IN FIRE
(Special to the Evening News).
CHADRON, Ohio, Feb. 11.—Mrs. Lane Hayes, aged 66 years, and an invalid, and Mrs. James, her nurse, aged 50, were burned to death this morning in a fire that destroyed the home of the aged woman. Hubert Hayes, husband of the unfortunate lady, was also perhaps fatally burned in the fire, but in some manner got out of the building and was found in the snow near the house unconscious.

South Methodist Social
Thursday evening about fifty members and friends of the M. E. League South, held a valentine social at the home of Mr. and Mrs. H. T. Ashworth on Washington street. Besides the young people many of the older ones of the church were in attendance and Rev. Mears contributed much to the enjoyment of the occasion by his presence. The main features of the entertainment were games and music, and the decorations were evergreen and hearts. About 10 o'clock refreshments were served, after which the enjoyment continued until a late hour. One of the most pleasant events of the evening was the farewell token of friendship given to Miss Fannie Cobb, who is soon to leave for Portland. With a neat speech Mr. Vivian French, president of the league presented a souvenir spoon, engraved with name and date. It was a complete surprise to the recipient, who feebly replied in a few well chosen words.
Miss Cobb, as head of the league's social department for several years, will be sadly missed by her many friends and co-workers in the church.

LOCAL NEWS
James Henry Booth is in Grants Pass today in connection with administration matters pertaining to the estate of the late J. O. Booth of that place.
