## News of the City Briefly Told

**Drain to Enlarge.**  
The citizens of South Drain have petitioned the council of Drain for permission to come into the city, and at a meeting of the council it was unanimously resolved to take the necessary steps for annexation. This will settle a question that has been the subject of dispute for years.

**Sweet Pea Day.**  
The Ladies Auxiliary of the Commercial Club are arranging for a sweet pea planting day in Roseburg. They are planning to give every public school child in the city who will promise to plant them, a package of sweet pea seed. Then, when the flowers are in bloom, they will have a sweet pea exhibition day and prizes will be awarded for the earliest and most perfect specimens grown. This plan will not only conduce to the

beautifying of the city, but will encourage and educate the children in civic improvement. Next year the ladies intend to offer shoots instead of flower seed.

**Peach Apricots Bloom.**  
A couple of 2-year-old peach apricot trees belonging to R. R. Wood in North Roseburg, are a perfect bouquet of bright pink blossoms. Both of these were planted on a southern slope about a year ago and attained a splendid growth last season. A number of peach trees on the same property will be in bloom before the week end. The latter are also 2-year-old trees.

**Form Partnership.**  
C. J. Denning and W. B. Hammitte have formed a partnership in the undertaking business, and it is understood that the new firm will soon begin the erection of a new brick building to accommodate their undertaking business. A large storehouse will also be erected on a lot adjacent to A. C. Marster's residence property which will be used for the storage of a team of horses, hearse and other equipment used in their business.

**Won the Prize.**  
"Papa, I've got it," and the little lady looked as though she had got it. As proudly as a daughter of the Queen of England might ascend the grand staircase of the palace of Buckingham, little Vivian Marsters yesterday ascended the stairway to her father's law office, and marching proudly into his presence displayed a beautiful silk booster badge, the prize which the Commercial Club awarded for the best essay on Roseburg written by a school child.

**Worthy Grand Matron Here.**  
Mrs. A. Stiles, worthy grand matron of the Eastern Star, of Oregon, who is in the city today on an official visit to the local chapter at the home of Mrs. C. L. Pearson, at 505 North Fowler street. Officers and members of the local chapter were invited. Mrs. Pearson was assisted in receiving by Mrs. Stiles, Mrs. George E. Henck, worthy matron, and the past matrons of the chapter. Light refreshments were served. The decorations were arranged in the form of five point stars.

**Arrives from Coos Bay.**  
F. E. Whitney, assistant superintendent of the railway mail service, arrived in the city today from Coos Bay and will remain here for a day or two. The gentleman made the trip over to the Bay by way of Drain and on his return trip came out over the old Coos Bay wagon road. In speaking of the trip he says he found the roads in a very good condition and had no trouble in coming out in a light buggy. With the exception of about five miles of road in Douglas county he had nothing to complain of, and for this time of the year was surprised to find the thoroughfare in such good condition. It seems to be the opinion of those who travel the Coos Bay road that if Douglas county would do some work on their end of the line it would be appreciated by the traveling public.

When the women make up their minds that they want to vote, they will—and no chivalrous or liberty-loving man will endeavor to stop them.

Hay, oats or grain are all right for the horse, but how about your wife. Wouldn't she be pleased to have some of those well fixtured for her home, now on display at Winnie Gaddis, the plumber?
