# GRATEFUL WORDS FROM GRATEFUL PEOPLE

When the Great Fer-Don and the European medical experts came to Roseburg and started to do such a large business, some people said it was a fad and would not last more than a week. If those people could have seen the crowd of patients at the McClallen hotel, Roseburg, Tuesday afternoon they would change their minds. The European medical expert came here two weeks ago, and his success has been wonderful.

Among the many letters received at the desk of Fer-Don's Medical Expert specialists this (Wednesday) morning, was one from a gentleman named J. W. Zimmer, living at 511 Division street, Evansville, Ind. It reads as follows:

"Evansville, Ind., Feb. 15, 1910. Fer-Don, Expert Specialists, Sacramento, California.

"Gentlemen—In reply to you I wish to know by return mail if you can and will send me two boxes of your catarrh treatment by express. Please don't say you can't, for I wish to have the treatment. I can highly recommend it, even if I am 1400 miles away. I am writing this note of inquiry first so I will know whether or not to send the money, as I wish to pay for the treatment before you send it. Please answer immediately.

"Thanking you for future favors, I remain, your sincerely,

"J. W. ZIMMER.

"511 Division street,

"Evansville, Ind."

## MEDFORD LADY RELIEVED OF GALL STONES.

Mrs. Innes M. Coe, living at 504 Oakdale street, Medford, Ore., had suffered for years with gall stones and had treated considerable with no relief, and she came to Fer-Don's Experts and with three doses of medicine, the doctor removed over 100 gall stones from her.

After the gall stones were removed she said she felt so much better; in fact, she said, it seemed that there was a large hollow in her side.

Anyone ailing with this sort of disease would be advised to write to Mrs. Coe, as she is always glad to help suffering humanity by telling of her wonderful results with the Fer-Don Experts.

## HAS NO MORE FEMALE TROUBLE

Another lady of Sacramento, prominent in the Daughters of Rebeccah Lodge, is Mrs. F. C. Guttenberger, of 3131 Y street. For the past five years she had been a sufferer from female trouble, and her gratitude to Fer-Don's Medical Experts for the cure effected in her case is best told in her own words. Mrs. Guttenberger says:

"My mother and I were extremely worried about my condition, having several physicians during the past five years. But none of them seemed to do me any good until we found Fer-Don's Specialists.

"The 25th of last October is a day I will never forget, as it was on that day I began treatment with these truly great doctors. Prior to that time I had had several nervous spells, female trouble and dizziness, I felt tired and worn out all the time and just like every step was going to be my last. Spells would last a few minutes, two or three times a day, and almost every month I would have extremely severe ones.

"I have not the least of any of these symptoms now; have gained seven pounds in weight; can attend meetings of the Rebeccah order, to which I belong and would not take \$1,000 and be back in the way I once was.

"For the benefit of those who are suffering as I have suffered, and hoping that these few words may be the means of pointing their recovery of health, I voluntarily and gladly make this statement. Fer-Don's Specialists are certainly all right, and if disease can possibly be cured they can do it."

An interesting case is that of a young man living at 915 West Second street, Medford, Oregon. Mr. Wood has been a sufferer from inflammatory rheumatism for five years and he says that Fer-Don's expert, who benefited his health more in one week he has been treating with the European doctor than all the physicians that he has treated with in the past five years.

Call on Mrs. W. D. Peckham, who

lives at 430 South Fir street, Medford. The Fer-Don Experts cured her son of a very serious case of catarrh. He had been a sufferer from post-nasal and general catarrh for a number of years and took treatment and was cured while the Fer-Don experts were at Pasadena, Cal., two years ago.

Call on Mr. A. L. Midgley, who lives on Dakota avenue, Medford, whom Fer-Don's Experts cured of paralysis. "I fell from a height of 131 1-2 feet on Christmas day, 1900, fracturing my spine, both legs, three ribs and my left wrist. I was confined to hospitals in New York City and Trenton, N. J., two and three-quarters years, my abdominal organs were paralyzed and a total loss of sensation in my lower extremities; in fact, the attending surgeons without exception, gave me no hope of recovery, but I did get well so that I could resume my business, but ever since my so-called recovery, I have felt the effects of my injury. About three months ago I consulted the Fer-Don specialists in Oakland, Calif., and on their assurance that I could be benefited I placed myself under their treatment and with astonishing results, I am greatly improved in every respect, suffer no pain, feeling has returned to my limbs, appetite improved and sleep soundly, control of my abdominal organs restored, and I thank God and the Fer-Don Experts for the improvement in my condition and recommend them to all sufferers as the most wonderful doctors that I have ever had treat me."

—A. L. Midgley, proprietor of the Bijou Theater, Medford, Ore.

These are facts—these testimonials can be verified—there are no mythical persons. They are stories of the phenomenal success of the Great Fer-Don, a marvelous record of a marvelous man, and in the face of these statements you cannot afford to take chances on the wild and unfounded claims of others who fraudulently claim to be what they are not.

The Fer-Don Medical Experts are located at the McClallen Hotel, Roseburg, Ore. Office hours are from 10 a.m. to 12 a.m.; 2 to 4 and 7 to 8 p.m. Sundays from 10 to 12 noon.

## MYRTLE CREEK NEWS.

Mr. David Fate died at the home of his son, Rennie, in this city Monday noon, aged 86 years. He leaves three sons and a daughter. His body was taken to Canyonville Tuesday for burial.

Twin daughters arrived at home of Mr. and Mrs. C. H. Arundel, March 16, and a son to Mr. and Mrs. Vinton Dunivan the same day.

A very exciting election was held in our little town Monday—the most exciting for years. A tent was pitched down by the bank, so each booth could be in its respective ward. R. A. Preston was elected mayor over Frank Rutherford by eleven majority. Councilman at large, H. P. Rice. The other councilmen elected were E. Denton, C. A. Stelzer, J. H. Hoover, H. D. Rodenberger, Ike Weaver and Sam Bayless. There was no opposition for recorder and treasurer, C. O. Nelson and Dr. Smick being elected, respectively. A majority of the councilmen are for a dry, decent town, but the "wets" won their mayor. Personalities hindered a good many people from looking at the real issue in this election. Whether we should have wide open pool rooms with gambling, etc., even more drinking than the past year, general lawlessness, a wide open Sunday, and all sorts of disgraceful doings, or the opposite.

Mr. P. J. O'Gara, assistant pathologist, U. S. department of agriculture, delivered a lecture at Dyer's hall Saturday afternoon on "Principal Diseases of Orchard Fruits and How to Cure Them," under the auspices of the Umpqua Valley Fruit Association. There was a good sized crowd present, among them a fair number of ladies. The lecture was much enjoyed by all. Much to Prof. O'Gara's regret, his stereopticon views failed to arrive on time, but he did his best to give a series of mental pictures.

There were three services in town Sunday at the Christian church, Presbyterian and Methodist. Mr. McManus preached at the latter, a short but able sermon. At the Presbyterian church, Mr. C. H. Arundel (preached) a solo, "The Palm," in honor of Palm Sunday, and a missionary service was held in the evening.
