## FOURTH AND LAST WEEK

GRAND OFFER WILL EXPIRE SATURDAY, APRIL 9th.

**Fer-Don's Phenomenal Success Attracts Sufferers From All Over the Country—Only Bloodless Surgeons in America—Now Located at McClallen Hotel, Roseburg.**

During the past week numbers of persons have been crowding Fer-Don's offices at the McClallen Hotel anxious to know if Fer-Don's doctors could help them. Anxious for some loved one at home, too sick to come, or anxious for the crippled child whose life, blighted by disease, is a constant care to the parents. Many are taking advantage of the grand offer extended by the great Fer-Don to treat all who call before April 9th, for merely cost of medicine.

### REDDING LADY RELIEVED OF GALL STONES.

Mrs. J. A. Newton, living at 918 Pine street, Redding, Cal., had suffered for years with gall stones and had treated considerable with no relief, until she came to Fer-Don's experts and with three doses of medicine, the doctor removed over 100 gall stones from her.

After the gall stones were removed she said she felt so much better; in fact, she said it seemed that there was a large hollow in her side.

Anyone ailing with this sort of a disease would be advised to write to Mrs. Newton, as she is always glad to help suffering humanity by telling of her wonderful results with the Fer-Don Expert.

Write to Mrs. W. D. Peckham, who lives at 430 South Fir street, Medford. The Fer-Don Experts cured her son of a very serious case of catarrh. He had been a sufferer from post-nasal and general catarrh for a number of years and took treatment and was cured while the Fer-Don Experts were at Pasadena, Cal., two years ago.

### COALINGA WOMAN.

Gall stones were removed from Mrs. W. N. Collins, of Coalinga. She lives at the oil fields. Fer-Don's Medical Expert gave her three doses of medicine and removed a number of gall stones in less than eighteen hours.

### OFFICES TO BE CLOSED SATURDAY EVENING, APRIL 9th.

The offices of the Fer-Don Medical Experts will be closed Saturday evening, April 9th, when they leave for their offices in the city of Eugene, Ore., so that all wishing to consult him must call before then. A charge of one dollar is made for examination.

The hours, 10 to 12 a. m., 2 to 4 and 7 to 8 p. m.

### ADOPT ASSEMBLY PLAN.

Multnomah County Republicans to Choose Delegates July 9.

PORTLAND, April 3.—Delegates to the republican county assembly, which will be held July 19, are to be selected at a meeting of the republican voters in the respective precincts of Multnomah county on July 9. This was the recommendation last night of a special committee to the republican county central committee, which met in the convention hall of the Commercial Club. The report was unanimously adopted.

The meeting was well attended and much enthusiasm was manifested. There was no hitch in the deliberations, and the assembly plan was approved unanimously. The reading of the minutes of the meeting held two weeks ago showed that the only persons voting against the assembly plan at that time were George McCord, F. Sinnott and H. W. Finch.

### ROOSEVELT CLOSELY GUARDED.

Will be Surrounded by Safeguards While in Rome.

ROME, April 4.—So painstaking have been the preparations of Italy to surround Colonel Roosevelt with safeguards during his tour here that secret service agents especially detailed by the king, will replace regular waiters at the hotels where the Roosevelts will stay.

Besides serving at table the government waiters will supervise the cooking of all food to the partaken by the ex-president to thwart any attempt of the "Black Hand" Camorra and Mafia chiefs to poison the distinguished American.

This precaution is only a hint of the care Italy is taking of the person of Colonel Roosevelt. Even King Emmanuel will not be guarded any closer than the great hunter from the time he landed in Naples Saturday until he departs for Vienna.

Captain Fabroni, who has made Camorra life a study, has been summoned from Florence to Naples and intrusted with the mission of watching members of the notorious society lest they attempt an assault upon Mr.

Roosevelt. "Black Hand" Camorra and Mafia chiefs are hostile to the ex-president because of the aid he gave Italian police in the capture of criminals who had escaped to America and especially of the notorious Camorra leader, Ericone, who was arrested in New York, and is now awaiting trial in Naples.

Captain Fabroni has established special surveillance over the harbor, city and the hotel where the Roosevelts will stay.

### LOCAL NEWS.

Miss Josephine Lund, the popular stenographer, has submitted her resignation to the Commercial Club and will leave for her home in Coquille this week. She has accepted a position with a business firm at Coquille.

An important contest case, in which E. T. Thompson is the protestant, and William Young is the protestee, is being tried in the U. S. land office today. This case is exciting a great deal of interest among mining men because of the point involved. The land constituting the basis of contention is located near the division line between Jackson and Josephine counties, near Brass Nail gulch. About fifteen years ago Mr. Thompson filed on the land as a mineral claim and in 1907 Mr. Young filed on the land as a homestead. The point, involved, therefore, is whether the land is more valuable for agricultural purposes than as a mining property. The testimony shows that there are about six million feet of standing timber on the land. The case will not be concluded until tomorrow. Attorney Robert Smith, of Grants Pass, is representing Mr. Young, and Attorney John Cohn, of the law firm of Cohn & Whitfield, Portland, is representing Mr. Thompson.

### COYOTE BITES BOY.

Causes Rabies and Death is the Immediate Result.

SPOKANE, Wash., April 4.—Roger the 6-year-old son of Jolt Troutman, living five miles east of Genesee, Idaho, is dead from rabies caused by an attack of a coyote last week.

While playing in the home yard, the child was attacked by the animal, which, maddened by the hunger occasioned by unusually heavy snow, inflicted severe wounds about the face.

On the day following the attack, symptoms of the rabies were manifested, death resulting 24 hours later. Dogs were bitten by the same animal before it was killed.

The mayor has issued a proclamation compelling all dog owners to keep their canines chained or the officers will shoot them on sight.

### NEW EGG PRESERVER.

Chicago Chemist Says Skim Milk Has Value.

CHICAGO, April 4.—The much maligned skim milk may now prove wonderfully valuable, in success which already seems to be assured. Dr. O. Henry Nowak, a local chemist and scientist, continues to develop.

Skimmed of all its rich pure cream, all of its fat and of 53 of 54 varieties of bacteria, which it contains, wonderful things, almost unending possibilities, are declared to lie in this product.

Milk after all its richness and all but one of its bacteria, have been removed will form a perfect and almost invisible film over anything dipped into it, preventing entrance of germs, air or water, and absolutely indissoluble and impervious to acids.

In other words, it is said to be a perfect preservative for meat, eggs, fruit or anything that decomposes.

Dr. Nowak, a year ago, dipped fresh eggs into the new fluid and today showed that they were as fresh as when taken from the nest.
