It was reported last evening that Fred Stewart, a member of the real state firm of Wright & Stewart, had suffered a relapse. Investigation shows the report to be untrue, however, inasmuch as the purported patient is able to be about today.

George Staley, father of Elmer Staley, the young man who was reported to have received a severe blow while attempting to aid a drunken switchman in the custody of Sheriff Fenton, states that the boy was not attempting to take the part of the prisoner, but simply rushed out to help him to his feet after he had been knocked down by the officer.

Frank Kent, a former hotel keeper who was arrested by the officers Monday evening while delivering a sort of stump speech on behalf of the late strikers, was arraigned before City Recorder Orenti late yesterday afternoon. He entered a plea of guilty and was fined in the sum of \$10. He paid the amount of the assessment and was discharged from custody.

At the M. E. Church South last night a good crowd greeted the speaker, O. L. Martin, who is conducting a series of revival services for the pastor, Rev. K. M. Mears. His subject was "Pure Religion." Text James 1:26-27. "If any man among you seem to be religious and brideth not his tongue, deceiveth his own heart and this man's religion is vain." Pure religion, pure and undefiled before God, is to visit the fatherless and widows in their afflictions and keep himself unspotted from the world. Good attention prevailed and good interest manifested. There were two additions to the church last night. Services will continue every evening through this week, closing with a rally service Sunday evening.

T. B. Maupin, of Kellogg, aged 45 years, passed away at Mercy hospital shortly before noon today, death resulting from typhoid fever. The deceased was stricken with the dread malady about two weeks ago, and upon gradually growing worse, was brought to Mercy hospital, arriving here Monday. The best of medical skill was assigned to the case, but to no avail, death coming as a relief to his sufferer. The deceased was single and is survived by a brother, C. P. Maupin, of Kellogg, at one time county commissioner, and a sister, Mrs. Fisher, of Seaside. The remains were prepared for burial at the Hammitree & Deanning undertaking establishment and will be shipped to Kellogg on tonight's train. The funeral will occur at that city with interment at the Elton cemetery. For years the deceased had resided on a farm and was highly respected in the vicinity of his home.

Murphy and Sanders, the men arrested by Marshal Huffman and Sheriff Fenton yesterday while in the act of causing a disturbance on the streets, were arraigned in the police court late yesterday afternoon and entered a plea of not guilty. Their trial was set for this morning, at which time they appeared and made a feeble attempt to substantiate the theory that they were not drunk, but on the contrary simply tired from the previous night's journey. A number of witnesses were examined on behalf of the prosecution, all of whom testified that they had seen the men in an intoxicated condition. Accordingly they were found guilty and ordered to pay a fine of \$10 each. Being financially embarrassed neither could pay, thus their return to jail to serve the alternate of five days.

DIOZO

AS A FACTOR IN THE PREVENTION OF DISEASE

As shown is made entirely of metal, aluminum-finish and lithographed in blue and red. It contains a cone of solid DIOZO which slowly evaporates and constantly throws off vapors which escape through perforations in both sides of the metal cabinet.

Diozo Cabinets in the Home

DIOZO cabinets are especially adapted for use in the home. They contain no liquid, do not drip, are clean, require no attention, are cheap, last for years, and no piping or plumbing is necessary in installing them. Just hang one up. That's all.

A Diozo Cabinet in the Clothes Closet

Will make it absolutely moth-proof and deodorize it as well. Clothes closets, as a rule, are small, dark, warm and unventilated, forming an ideal incubator for the development of germs of disease and musty and disagreeable odors.

Diozo in Public (or private) Toilet Rooms

A DIOZO cabinet should be placed over each water closet or urinal.

DIOZO Phone Disinfectant, 50 cents.
