SELLS-FLOTO CIRCUS

Differs from Other Shows in Many Particulars.

There are many ways in which the Sells-Floto Consolidated shows differ from other circuses and a visit to this monster tent enterprise when it comes to Roseburg on Wednesday, May 10 and will cause people who have been complaining that all shows were alike to qualify this statement by adding "excepting the Sells-Floto Show."

The union of these two large circuses resembles other tented enterprises inasmuch as the performance is given under a tent. When it comes to the circus acts themselves it differs widely from other institutions which are heralded as "great" shows.

The menagerie is more than twice as large as that carried by other circuses. The only mandrill in captivity is in this department. The only hybrid lion-tiger, with the lion's stripes on the tiger's skin, is another rare feature.

A great street parade is given in every city visited. And the turn-out of the Armour International Prize Winning Champions is the biggest feature offered with any circus of the present day.

Danger is lurking in it

when your bath-room or lavatory isn't fitted up with modern sanitary plumbing. Sewer gas is more dangerous in Winter than in Summer, because ventilation is not so free. You will ward off disease by having your closets, bath-room, kitchen and sinks overlaid. We make a specialty of sanitary plumbing and do it scientifically and at reasonable prices.

DIOZO

AS A FACTOR IN THE
PREVENTION OF DISEASE

As shown is made entirely of metal, aluminum-finish and litho-
graphed in blue and red. It contains a cone of solid DIOZO which
slowly evaporates and constantly throws off vapors which escape
through perforations in both sides of the metal cabinet.

Diozo Cabinets in the Home

DIOZO cabinets are especially adapted for use in the home. They
contain no liquid, do not drip, are clean, require no attention, are
cheap, last for years, and no piping or plumbing is necessary in
installing them. Just hang one up. That's all.

A Diozo Cabinet in the Clothes Closet

Will make it absolutely moth-proof and deodorize it as well.
Clothes closets, as a rule, are small, dark, warm and unventilated,
forming an ideal incubator for the development of germs of disease
and musty and disagreeable odors.

Diozo Cabinet in Public or private Toilet Rooms

A DIOZO cabinet should be placed over each water closet or
urinal.

DIOZO Phone Disinfectant, 50 cents.

Our DIOZO Cabinet—Price one dollar.
