FLAG DAY.

Governor Benson Issues a Proclamation.

SALEM Or., May 21. —Following is the Flag Day proclamation issued from the executive office yesterday morning:

"Whereas, the congress on June 24, 1777, selected the emblem which has ever since continued to be the flag of our country and it is fitting and proper that a day be designated and set apart as 'Flag Day,' in order that suitable exercises may be held in the public and other schools, and generally observed in commemoration of that event and for paying patriotic respect to our national emblem.

Therefore, I Frank W. Benson, as governor of the state of Oregon, do recommend that Tuesday, the 14th day of June, 1910, be observed, not alone by the schools of the state, but by all of the people thereof, and I urge that the flag of our country be generally displayed on that day on all public and other buildings and places of business.

Let us be mindful on Flag Day of the sacrifices and devotion which have been given to make this country free and united and let us resolve that in the days of peace, our loyalty to its welfare may be none the less earnest.

In witness whereof, I have hereunto set my hand and caused the great seal of the state to be affixed at Salem, the state capital, this 20th day of May, in the year of our Lord, 1910.

FRANK W. BENSON, Governor.

AT LEAST TRY DUSTINE

for this preparation not only keeps the dust down but it takes it out of the room. Ordinary sweeping of the office, the kitchen and any carpet merely raises the dust to let it settle again. Dustine takes the dust with it and often makes a difference in the doctor's bills when used two or three times a week.

DUSTINE IS TRIED. 5c per pound.
