It is stated that American holdings in Mexico amount to \$900,000,000. #### NOT A CANDIDATE.

TOOK FIRE Brother of Governor Not Seeking Governor's Chair.

Governor's Chair.

KLAMATH FALLS. Or., June 8.—
"I am not a candidate for the republican nomination for governor of this state and I will not be," said Judge Henry L. Benson, of the law firm of Benson & Stone, of this city, today, 'when shown an article in The Oregonian which stated that he would be a candidate at the coming primaries. Continuing, Mr. Benson said.

"The statement that my brother's health is such that he will have to drop out of politics is without foundation. He is now under treatment for an affection of the skin on his face, but is yielding to the treatment of his physicians, and I expect that very shortly he will be as well as ever. My brother, who is now acting governor of this state, will be a candidate again for the place of secretary of state, and will remain a candidate. I have no idea how this story got started in Portland, and can say positively that there is nothing, absolutely nothing, to the report that I will be a candidate."
