Mr. and Mrs. Horace Scott and family left for their home in Grants Pass this morning after a short visit with friends in this city.

A party consisting of Mr. and Mrs. Henry John, Mr. and Mrs. C. W. Perkins, R. B. Perkins, W. C. Perkins and Ray Kersey left this morning for a trip into the mountains where they will spend several days hunting and fishing. Mrs. C. W. Clark who intended to accompany the party, was unable to do so on account of the illness of her daughter, Mary Julia.

Geary Rapp, call boy at the Southern Pacific, had his wheel stolen about eight o'clock this morning. He says that he left it in the usual place when he went into the office, but that it was not there upon his return. He told his numerous friends of his misfortune and it is more than probable that the wheel will be located soon.

Dr. Lowe, the well known optician and optometrist will be at the McClallen Hotel, June 28 and 29. Don't fail to consult him about your eyes and glasses. Scores of Douglas county references. Ask your family doctor about him. Ask your neighbor about him. Ask to see his diplomas. 19 years experience. Has been visiting Roseburg for more than 17 years. Comes every 5 weeks. Does not go from house to house. Has no agents.

The scenery for "Ship Ahoy" will arrive Friday. A complete ship scene is being brought and details are carefully being looked after. The opera, which takes place on Tuesday and Wednesday next, is under the management of the Auxiliary Commercial Club and is being coached by Mr. Fred Carlyle. The music is of the catchy order, with good dancing and pretty stage business. Seats are now on sale and good houses are anticipated. Great enthusiasm is being shown by the cast, and a superior show to anything yet attempted will be given.

The Roseburg White Sox ball team made a trip to Brockway Sunday where they defeated an aggregation in that city by a score of 8 to 3. The boys say that the game was not one sided as the score would suggest, and that it was only through the good team work of the local nine that they were able to win the game in the last inning. It is thought probable, however, that it was not until then that they were able to take their eyes from the crowd of pretty girls who nearly cheered the Brockway boys to victory.

W. J. Hobbs, of Montana, arrived in this city last Sunday, and by yesterday evening had identified himself with the business interests of Roseburg by purchasing a half interest in the Douglas County Real Estate Company, having offices on Cass street. The business of this firm was until a few weeks ago conducted by Saffron & Shields, but those gentlemen sold to H. M. Martin, of whom Mr. Hobbs made his purchase. Mr. Hobbs is a mining man, and has followed the profession of consulting engineer for many years in Montana, and will carry on this line of work here. There are many properties in Douglas county that need the services of such engineering skill, and in locating in this city Mr. Hobbs has struck the right "diggings."

Mrs. Martha S. Call died very suddenly at her home in West Roseburg last night about midnight at the advanced age of 75 years. The deceased retired in the earlier part of the evening and was apparently in her usual good health. Near midnight she called for her son who hurried to her room to find his mother expiring and before a doctor could be summoned she was dead. Owing to the suddenness of the death Coroner Jewett was called but deemed an inquest unnecessary, the deceased having died of heart failure. The funeral will be held tomorrow morning at 10 o'clock with interment in the Masonic cemetery. The aged lady had been a resident of this city about three years.

ORIGINALITY EDUCATION EXPERIENCE FORESIGHT ENTERPRISE NERVE

Is the name of the six workmen that work for the Umpqua Land & Water Co., Inc. They start at six o'clock in the morning and work to ten o'clock at night. They are opposed to Imitation, Ignorance, Inexperience, Idleness and Cowardice. The six first workers bear the name of the sterling qualities that make the

HIGH GRADE OF AMERICAN CITIZENSHIP

In any competition against the others there is no question about the outcome.

They have won the battle before it is started, and to the victor belongs the spoils. The great question of today is not what you believe, but what you know you can do. Abraham Lincoln, one of "America's Immortals," said, "When You are Right, You are the Crowd, Because it will Follow You." History past tells you over a million of America's fighting men marched in the path laid out by the "Chief Engineer." Kind reader, the progressive man goes on and leaves the knocker far behind, and who cares. The man in the automobile will pass in a thirty mile clip the man with the wheelbarrow, and leave the dust behind for the knocker. IN A FEW DAYS one-half million pounds of concrete will be placed in position in

Alexander's Old Reliable Center Pier

Roseburg's lasting monument to the six workmen, there have placed it to stand as the "Rock of Ages." Only earthquake or

dynamite will move it. The piers in the Alexander bridge are made with foresight. In six, eight, or ten years from today, when the present bridge has answered its purpose, when Roseburg has awakened to street car service, the piers are planned and made so large and strong that then a steel structure can be placed outside, put in position by the aid of the old bridge answering as false works; and Roseburg citizens will then say, "The Man from Copenhagen" knew what he was doing. The knockers will be dead; they will have died of the fungus disease, "dry rot"; Roseburg will have a "River Faced Park" second to none in Southern Oregon.

Alexander Says So---Alexander Knows

Fellow citizens, let me tell you some of Alexander's plans and hopes. The beautiful Umpqua river will, when in bad "humor," carry sand and gravel to the park, workmen will place it in the park,

making nice graveled walks, an occasional rustic seat will be placed against the old monarchs, the oaks that have seen generations growing up and seen them die, and the old soldier with his gray haired wife, will on the National Holidays take a rest, will dream about the days when he was young and strong, when he answered Washington's and Lincoln's call, left the young girl standing at his side with tears in her eyes, to show the world "United we Stand, Divided we Fall." When the Fourth of July comes, we will not buy firecrackers in Roseburg. We will take the children to a bath and boating on the Umpqua river, a lunch in the park, and the park will be open to all except the knockers. Those conditions are duties to all good American citizens, and Roseburg has its share of sterling men and women, up-to-date and progressive, and all the Umpqua Land & Water Co., Inc., ask, in a friendly way, is this little simple thing, CO-OPERATION.
