

YONCALA BUDGET.

Happenings of the Day Told By The News' Live Correspondent.

Mrs. P. Smith was a business visitor at Drain the first of the week. Pete Wamsley, of California, is visiting his parents, Mr. and Mrs. J. C. Wamsley at this place. Roy Booth made a business trip to Eugene the first of the week. John Sutherland is sojourning in Eastern Oregon on business. Barton Hellwell has returned to his home at this place after an absence of several weeks in California and Old Mexico. C. C. DeVore has returned from an outing at Newport. John Wagoner, B. Applegate and Attorney DeVore were Drain visitors to this city the first of the week. Mrs. Harry Stearns visited with relatives at Oakland a few days the first of the week. Miss Sue Burt is home once more after quite an absence at the Cutlack home near Comstock. Mrs. F. Cheesbro and children, of Comstock, are visiting near this city. Mrs. Anlauf and family of Anlauf station, were guests at the home of Mr. and Mrs. F. L. Smith last Sunday. Mrs. Arta Burt is here for a brief visit with relatives after quite an absence in Eastern Oregon. Mrs. M. M. Thornton and son, Guald, have returned to their home near Oakland. Mrs. John Beckley, of Oakland, was a business visitor to this city the first of the week. Mrs. John D. Wilson has gone to Frisco on business for an indefinite period. A. J. Starmer and D. C. Pitzer, of Roseburg, were business visitors to this city the first of the week. Dr. C. E. Wade, of Drain, republican candidate for the nomination for representative was in the city last Wednesday. Mrs. C. E. Howes left last Tues-

day for a three months' visit with relatives in Washington, Montana and Wisconsin. O. E. Holdridge is in Portland on business this week. Mr. Woodard made a business trip to Roseburg the first of the week. Henry Burt and family, accompanied by Mrs. Geo. Knott, left this week for Winchester Bay for a few days' outing. Isadore Rice, of Rice Valley, was a business visitor to the city last Monday. Wm. Wise, of Drain, was here on business last Wednesday. Alex Churchill says he will give any man, woman, or child a week's board free of charge and grant them immunity from work or punishment—so far as he is concerned—upon receiving information which will lead to the arrest and conviction of the man who stole his hat a few days ago, causing him (Alex) to go bareheaded since. Mrs. Chas. Wamsley, who has been visiting with relatives at this place for several days has returned to her home at Roseville, Cal. Mrs. Morris, of Dayton, Wash., is visiting her son, J. P. Morris at this place. W. H. Wooster left this week for North Bend on business, expecting to be absent about one week. Capt. "Red" Gus Peret, of the U. M. C. Co., is spending a few days at home this week. W. H. Stephens made a business trip to Drain last Tuesday. Prune picking is now in full blast and every available boy or girl is employed. The Italian prune crop is light but the pettes are heavy and of good size. The Yoncala cannery, under the management of E. Hellwell, has been a busy place for several days and several hundred gallons of pears and other fruits have been canned. The season is now near the close and when the last can is soldered the thirty employees will be forced to seek employment elsewhere, but

that will be easy as help of all kinds is in demand. Mrs. McGinty attended the 10th annual reunion of the pioneers at Olalla last week and experienced a delightful time renewing old acquaintances and forming new ones, being royally treated throughout the entire three days' encampment. The Olalla people are exceptionally hospitable and entertain their visitors in the best of style. While there we heard several visitors remark that some of the best people in the world were to be found in Olalla. It was noticeable that there was no selfishness manifested by any, but all united to make the occasion a success and one long to be remembered. Many of the old pioneers who have annually attended the reunion were there and appeared well and hearty and were looking lovingly forward to the time when they could assemble upon the memorable battle field and mingle with old friends and acquaintances and live for a time in an estate state, so to speak, and forget the toils and troubles of the past and feel that life was worth living if its duration be an hundred span. Long live the pioneer and may his usefulness ever be realized and his memory ever cherished.

MRS. MCGINTY.

LOOKING GLASS NEWS.

Nelson Andrus and party have returned from an outing at the coast. They report a fine time. Rather smoky there as well as here. Mr. Fee contemplates building a new cottage on his home land, formerly the Buel place. Mr. Rogers is putting in a well near his new barn on his fruit farm south of town. A new family contemplates moving to our burg to school their children this winter. Mr. Geo. Marsh took a load of fine apples to town for exhibit the first of this week. Mr. Jefferson Williams is spending his summer vacation in Roseburg. Mr. Jackson's barn is now complete. Quite a few new buildings are going up in this section. School begins here the first Monday in October with Miss Lucille Voorheis principal and Mattie Jones assistant. The infant child of Mr. and Mrs. James Marsters was buried in our cemetery last Saturday. The family has the sincere sympathy of all in this neighborhood. Mrs. Kate Jones is visiting her sister, Mrs. Rose Williams this week. Mr. and Mrs. J. T. Goodman were visiting at the home of Mr. and Mrs. Rose Williams Sunday. Prune picking is in full blast in this section. Jones Flourmoy was seen in our burg a day or two ago. Next Sunday is Rev. Bristol's regular day. Come and be edified. Uncle John Allen is able to be up after being in poor health for some time. We are sorry to learn of Mrs. Fee's illness and hope for her speedy recovery. A party of our young people returned from the reunion and report a glorious time. We have already had a slight frost here.

FURNITURE STORE NEWS

Robin's Dining Table Has Leaves Inside of it—Gunn Cases at Strong's.—Other News. The Robins dining table is the best and most convenient in Roseburg for its price. When a firm makes a statement like this, ask for the reason. When it gives the reason see if it is good one for yourself. The reason in the case of the Robins is simply this. First, it is well finished. Second, the leaves are in the table itself, not in the attic or the basement. And third, if you buy a six foot table, and then want a ten foot extension all you have to do is to buy more leaves. Come to Strong's and see the Robins. Desks. During the last ten days Strong has sold one \$60 and one \$52 roll top desk, both fitted for typewriters. On hand is another typewriter flat desk, that is good value for the money. Gunn Cases. Strong is agent for the Gunn Expandible book cases. This is better than other cases handled in Roseburg because there is no unsightly iron strip on the outside. All in the best finished white oak. This case grows with the library. And it is the most famous elastic case made. Other Things. A few pictures of Roosevelt are left at 25 cents each. Some other pictures are on hand too. Candidly the stock is not extensive but the prices are very low. Strong's store does not keep open evenings, save Saturday. It is the only furniture store doing this. And it was the only furniture store that closed all day last Monday.

TO WATER CONSUMERS.

Owing to extensive changes in the laying of new water mains under streets to be newly paved short interruptions in the service will occur from time to time during the next two months and we would request water consumers to keep a moderate supply of water drawn for domestic use.

EXPLAINS HIS POSITION.

(Paid Advertisement.) Editor News—In the Daily News of August 1910, the date on which a mistake was published, whereby I was quoted as being a candidate for county treasurer and a democrat, I now take this opportunity to thank you for correcting the same in the next issue but having been told that if I did not come out and answer the accusation myself through your newspaper that I would be placed in bad light before all the voters, especially strangers, so to be candid and fair to all I kindly request you to cause to be published in the Daily and Semi-Weekly News the following plain letter:

Friends and fellow-citizens of Douglas County: It is not the being called a democrat that I care for so much, but I do not want any person to believe that I have turned my coat for the sake of trying to be a candidate for a public office, for I have not done so. I have been a life-long straight republican, not an ultra one. No person ever knew of my being on a public corner blowing my bazoo, for I have always tried to respect the rights of all others, no difference to what political party they might belong, as I have always conceded to every one the privilege to think and vote as they liked. If they believe that they were right, they were and are as for me. Now I have said that I do not like the assembly plan, but I have not said to any one that they must not like it. My reason for not liking the assembly plan is because I can see from a general standpoint that it gives to the one who has been lucky enough to be recognized by the assembly as their choice, a decided advantage over anyone else that may wish to try to get their name printed upon the ballot, so they may get before the primary and I cannot appreciate a one-man monopoly of the whole situation. The more I learn of the workings of the plan by my own experience the less I think of it. I have said also that I have never believed in a third term or any secret, underhanded political wire pulling in any party. My motto is: "Ready and willing at all times to do as I would wish to be done by. A kindly, courteous treatment for all, and special privileges to none." This is why I am anti-assembly. Should I be lucky enough to get my name printed upon the ballot to get before the primary, and be the successful candidate, I hope to be able to prove to every one who has been kind enough to have given me their support that I am capable and worthy of the position that I now aspire to, and if elected at the coming primary election and in November to the position of county treasurer of Douglas county, I shall endeavor to manage the affairs of the office with neatness and dispatch, carefully guarding the office with the best of my ability and at all times looking out for the best protection of everything entrusted to my care in any manner in or about the office, and now kindly to all the citizens of Douglas county I have the honor to be: Just Plain Bill, (a citizen of this county for more than thirty years,) and to you Mr. Editor, I extend to you my kindest thanks for your courteous treatment in this trivial matter.

Yours truly, WILLIAM A. FRATER.

FRUIT GROWERS, ATTENTION.

A determined effort will be made at our next meeting, Saturday, October 1, to organize a first-class going association. It is hoped that speakers will be on hand from Salem and other places to show us how it can be done and the benefits that should be apparent to all will be shown. We know everybody is pretty busy at this time of the year, but it is the earnest wish of the officers and executive committee that a full attendance be on hand. Try and arrange your affairs to be on hand, and do not forget the date, Saturday, October 1, at 10 a. m., at the court house.

W. J. HARRIS.
