FOOT BALL ON HORSEBACK.

Will be Demonstrated With The Wild West and Far East.

NO MORE striking contrast abounds in an exhibition of widely differing features than is to be found in the exhibition given by Ray Thompson's Trained Western Range Horses with Buffalo Bill's Wild West and Pawnee Bill's Great Far East. In the same arena with the wild bucking horses of the plains, Mr. Thompson presents his troupe of skillfully trained equines, foaled in the same atmosphere as the broncho and reared amid the same surroundings.

This season Rhoda Royal's troupe of twenty high-school prize-winning thoroughbreds—universally crowned favorites—have been added. This combines every link from the primitive and practical to the artistic development of the educated equine. These two intelligent studs have never before been seen in one arena—both recognized as top-notchers of the exhibitor class. Another interesting equine novelty is Football on Horseback, played between Indians and cowboys mounted on the rugged little cayuse and the belligerent broncho. Brought over from England this new style of athletics is an absolute novelty, grotesquely presented and full of real comedy. Essentially a "horse show" in the broadest acceptance of the term, the Wild West and Great Far East exhibition is in no wise limited to equine features, for there are military displays, cavalry charges and gorgeous pageants. The splendors of the Orient are here reflected, early American history is brought to mind in stirring conflicts and replicas of barbaric Indian warfare. And the feature of features is the appearance at every performance, rain or shine, of Col. Wm. F. Cody, the only and original "Buffalo Bill," who gives his personal attention to every detail of the exhibition.

If hot air was music some people would be a brass band. Ostermore Mattresses are the best mattress on earth.

They too make an unfitted one but long experience has taught these professional mattress makers that the original is far the better.

Many small mattress concerns who are striving for business are well aware that nothing better can be made.

Consequently they try some new fadangle that's never been tried out, the results are guess work.

FRUIT GROWERS, ATTENTION.

A determined effort will be made at our next meeting, Saturday, October 1, to organize a first-class going association. It is hoped that speakers will be on hand from Salem and other places to show us how it can be done and the benefits that should be apparent to all will be shown. We know everybody is pretty busy at this time of the year, but it is the earnest wish of the officers and executive committee that a full attendance be on hand. Try and arrange your affairs to be on hand, and do not forget the date, Saturday, October 1, at 10 o'clock, at the court house. W. J. HARRIS.

DO IT NOW.

We feel that Douglas county will receive her share of home-seekers this coming fall and there will be no doubt a big demand for acreage as well as city property, and you may have that particular tract of land. Should such be the case, have you an abstract showing clear title to your land which would enable you to make a quick sale. We would advise having one made now which would give ample time to have any defects cured before such time as you may have a purchaser. We have recently gone to a great expense in putting our title plant in a condition that is second to none in the state, we also have the only set of abstract books in the county, our assistants are all competent and our charges are reasonable. A Hoosier Kitchen Cabinet Will Touch That Tired Spot

That husband of yours is all right. You had a hard time to get him and now you want him to live to be as old as Methuseleh, don't you.

So what have you done?

Why, you said: "Let's get us a corn planter, a riding plow, a disc harrow, a wagon with a spring seat, a riding cultivator with a striped sunshade, a wheat drill, a manure spreader and a self binder."

And then you said: "Let's put up a wind mill, build a corn crib in the barn," and you just made things handy for him all 'round and that's all hunkymedory.

But after you bought your sewing machine with butter and egg money, and bought a bureau and a rat for your hair, you began to say to yourself: "If this Methuseleh is going to have a wife after while, I'd better be trying to save myself."

So you are looking around now, aren't you? well this Hoosier Kitchen Cabinet is just the thing for you.

It's so handy, so complete, so cheap and such an all-round kitchen and dining room in one corner of the house, that the only fault ever yet found with it by anyone is that no man that ever bought one for his wife has ever been able to get a divorce. That is the kind of a Cabinet that's sold at
