One of the best Western plays ever seen in this city will play an engagement at the opera house on Friday, September 16th. The Majestic Amusement Company is presenting "A Texas Ranger," which the critics proclaim to be the best of its kind written. As interpreted by this company, who have been specially engaged to play their different parts, it forms a delightful evening's entertainment. The company has met with a very flattering reception at the hands of the press and the public, wherever they have appeared, crowded houses being the rule. The action of the play is spirited, and full of realistic action, relieved by a strain of wholesome comedy. As the house in all probability will be well filled, it would be advisable to secure seats in advance. The company carries its own band and orchestra. Watch for the street parade at 2 o'clock. Reserved seats for this engagement will be on sale at the usual place.

CONGRESS

Has a good, clean record of effective service and has faithfully lived up to his motto adopted four years ago

"No Interests to Serve but the Public Interests"

Some of the things accomplished at the recent session of Congress:

Secured over \$80,000 for river and harbor improvement in this Congressional District.

Secured over \$430,000 for public buildings and other purposes in this district, including Oregon's Civil War Claims.

Defeated the Larkin Apple Box Bill.

Adopted miners and settlers on the public domain, including 50,000 acres.

Secured passage of many bills of interest to localities and for the relief of victims of our wars.

Has been an active supporter of the administration in redeeming platform pledges and insisted in passage of Railroad Rate Act, Postal Savings Bank Act, Bureau of Mines Act, Reclamation, Certificate Act, and many other acts of great national importance.

He has won the hearty commendation of Ex-President Roosevelt for upholding progressive measures urged by him while President of the United States.

WASHINGTON, May 29.—President Roosevelt today issued a statement commending the Oregon members of the House for their support of administration policies and wishing them success in the coming elections in that state. The statement follows:

The president today said good bye to the two Oregon Congressmen, Messrs. Hawley and Ellis, and stated publicly that he took occasion to think them for the attitude they had consistently maintained in support of the administration's policies, and to wish them success in the election which is to take place on Monday next.

The president stated that he wished publicly to express his appreciation of the cordial manner in which the gentlemen had backed up the policies and the measures which the president felt were of such consequence for the welfare of the country. In connection with such matters as securing proper employers' liability legislation, both as regards interstate commerce and as regards the employees of the government itself; securing child labor legislation; and the effort to secure the proper administration by the courts of the power of injunction, and finally securing by the nation of thoroughgoing and adequate control over the great interstate corporations, a control which shall be both effective to prevent any wrong done by the hand at the same time of such character as will permit the reward in ample fashion of all business which is so conducted as to be for and not against the public interest.—From the New York Tribune, May 30, 1908.
