MANY EXHIBITS ARE COMING

Secretary E. N. Ewart and Lady Assistants Busy Entering the Exhibits—Fair Will Far Surpass Former Events.

The 17th annual Southern Oregon District Fair will open at Roseburg tomorrow, September 27. The directors of the fair have made an exceptional effort this year to make the fair bigger and better than ever before.

A number of persons took particular notice of the Douglas county exhibit at the state fair in Salem. The Oregonian, together with a number of other papers, commented at length on the wonderful display from Douglas county.

A new annex has been built to the district fair pavilion, and the prize-winning exhibit of Douglas county, which has been brought back from the state fair, will be displayed.

roof with an abundance of fine products which cannot be equalled outside of Douglas county in the state of Oregon.

In the livestock department every available stall, pen and stable will be filled with pure-blooded animals of the best breeds. In the strawberry and rose carnivals last spring a few livestock fanciers paraded a part of their stock in this city.

Special attractions have been offered to the owners of best horses, and the entries are numerous, but the stables are adequate to accommodate the large number of horses that will be sent here to contest for the purses.

The prizes in the art, culinary and other departments are more generous this year than ever before. There is considerable rivalry among the ladies of this district, and without question there will be a most tempting display of various jams, jellies and pies that are always seen in these exhibits.

A large number of amusement features and concessions will be on the grounds to interest and entertain the visitors. The music will probably be furnished by the new Roseburg band, an organization of 24 men, under the directorship of William Bormell.

University Student Alleged to be Responsible for Girls Condition—Lorimer Trial Today—Crippen Case Soon.

(Special to The Evening News.) SAN FRANCISCO, Sept. 26.—Following the confession of Marie Messerschmidt, a nurse, in which the details concerning the death of Eva Swan were given to the police, a charge of murder was filed against Dr. Robert Thompson, alias Dr. James Grant, in whose office the girl is alleged to have died, and who caused the body to be buried in a cellar of a house on Eureka street where it was found Friday night.

CHICAGO, Sept. 26.—Senatorial investigation into the indirect charges that a bribery fund was used in electing Lorimer to the United States senate, was begun today, after Senator Buckley had joined the committee here this morning.

LONDON, Sept. 26.—The coroner's jury brought in a verdict today alleging that Belle Elmore Crippen was murdered by Dr. Crippen, her husband, the American dentist. This verdict is a victory for the crown, and the trial will doubtless soon be undertaken and the case disposed of.

BOWERMAN A WINNER

BENSON WINS BY 10,000

A. M. Crawford, of Douglas, Carries the Day by Big Majority—Hoyt Meets Decisive Defeat—Election News.

REPUBLICAN NOMINEES. Governor, Jay Bowerman. Representative in Congress, First District, W. C. Hawley. Representative in Congress, Second District, A. W. Lafferty. Judges Supreme Court, four-year term, H. J. Bean and T. A. McBride. Judges Supreme Court, six-year term, G. H. Burnett, F. A. Moore. Secretary of State, F. W. Benson. State Treasurer, T. B. Kay. Attorney-General, A. M. Crawford. School Superintendent, L. R. Alderman. State Printer, W. S. Dunway. Commissioner of Labor, in doubt. Railroad Commissioner, F. J. Miller. State Engineer, John H. Lewis. Water Superintendent, Division 1, J. T. Chinnock.

Jay Bowerman, assembly candidate, on a count of approximately two-thirds of the vote cast in the primary election of Saturday, has won the nomination for governor of Oregon by a plurality of 2500 to 4000 over Grant B. Dimmick, of Oregon City, with Ernest Hofer, of Salem, third and Albert Abraham, of Roseburg, fourth.

More nearly complete returns from Multnomah county, and the state at large received yesterday do not materially change the forecast given yesterday on the remainder of the ticket. These returns seem to indicate conclusively the defeat of Ralph W. Hoyt, the assembly candidate for state treasurer, by Thomas B. Kay, by a majority of several thousand.

Outside Counties Defeat Hoyt. Mr. Hoyt in Multnomah county has received a majority over Kay of more than 1200, but the returns from other counties so far received show that Kay is leading the remainder of the state and has overcome the Multnomah lead and has 1800 advantage over his opponent. The returns for Multnomah county are more nearly complete than from the other portions of the state, so that if the proportion of votes cast for the two is maintained in the smaller counties Kay will increase his lead materially.

On the vote so far as counted, F. W. Benson, assembly candidate for secretary of state, has a lead of more than 8000 over G. Wagnate, and his majority will probably roll up to more than 10,000.

Crawford's 10,000 Lead Growing. For Attorney-General, A. M. Crawford, on the latest returns, shows a majority over J. N. Hart, the assembly candidate, of about

10,000 which will be increased by the belated returns.

W. S. Dunway, the present state printer, has also defeated W. J. Clarke, assembly candidate, by a wide margin. Dunway now shows a majority of more than 8000 over Clarke, and each later report increases Dunway's lead.

The closest contest is between O. P. Hoff, assembly candidate for commissioner of labor statistics, and G. M. Orton. The total returns so far as compiled give Hoff 12,332 and Orton 12,337. While Orton is thus shown to have a slight lead, an analysis of the count indicates the election of Hoff. Mr. Hoff ran behind Orton about 100 votes in Multnomah county, but on the returns so far received from the other counties is nearly up with his opponent.

Hoff Gains in Small Counties. If the counties of small population show on a complete count the same relative difference between the two men Hoff will have won the contest by about 750 votes. Orton has had his principal strength in the town and city precincts and from these the vote is more complete than from the country districts, where Hoff has shown the greater strength.

For Superintendent of Water Division No. 1, J. T. Chinnock has a strong lead over F. K. Gettin and is undoubtedly nominated. Mr. Gettin had the assembly endorsement.

Hawley's Lead Growing. For representative in congress from the first district the incomplete returns give W. C. Hawley a majority over B. F. Mulkey of 1646, but in those figures less than two-thirds of the vote cast is represented. On the final returns, estimating the vote on the way it is shown in the incomplete figures, Representative Hawley will be nominated for reelection over his opponent by approximately 3000.

In the second congressional district Representative Ellis is defeated for nomination for re-election by between 2800 and 3000 by A. W. Lafferty, as now indicated. On the vote so far reported Lafferty has a lead of 2893, including the votes of all counties reported.

Lafferty's Strength in Multnomah. In this plurality over Ellis, however, 2754 is represented in the nearly complete returns from Multnomah county, indicating that in the other counties Lafferty has run some ahead of Ellis but not very strongly. The plurality of 2890 to 2000 that it is estimated will be shown in the complete returns is based on the theory that outside of Multnomah county there will not be a wide divergence between the totals cast for the two candidates.

In the incomplete returns C. J. Reed is about 1000 behind Ellis and George S. Shepherd about 1000 behind Mr. Reed.

Oregon republicans have thus nominated one administration candidate in Representative Hawley and one insurgent in Mr. Lafferty.

Assembly Wins Three Contests. For contested places on the state and congressional tickets three assembly candidates, it is certain, have been nominated in Jay Bowerman for governor, W. C. Hawley for representative in congress and F. W. Benson for secretary of state, and probably a fourth has been named in O. P. Hoff for commissioner of labor statistics.

The anti-assemblyites have won one congressman, state treasurer, one justice of the supreme court, attorney general, state printer and superintendent of Water Division No. 1.

The following are the totals compiled on the incomplete returns received up to 10 o'clock last night, on the republican ticket:

Governor—Bowerman, 12,780; Dimick, 10,441; Hofer, 5,944; Abraham, 4,235. Representative in congress, first district—Hawley, 6751; Mulkey, 5195. Representative in congress, second district—Lafferty, 7923; Ellis, 5129; Reed, 4994; Shepherd, 3063. Justice supreme court, four-year term (two to nominate)—McBride, 18,648; Bean, 17,769; McCamant, 11,011.

Six Counties Not Heard From. In compiling the foregoing totals partial returns are at hand from all counties with the exception of Benton, Curry, Grant, Harney, Klamath and Lake, from which no reports at all have been received. In the latter counties Bowerman expresses confidence in good pluralities being returned for him from Grant, Harney and Lake, while encouraging reports were also received from Curry, prior to election.

Mr. Bowerman, last night, expressed a deal of gratification over the reports from Sherman, Gilliam and Morrow counties, where the early returns indicate that he has a clear majority over his three opponents. It had been predicted during the campaign by anti-assemblyites that Bowerman would not have a plurality in his own county of Gilliam, and that all three of the counties named would reject him.

West Named by Democrats. In the general election Mr. Bowerman will be opposed by Oswald West, who has been nominated by the democrats over Jefferson Myers. Returns from the democratic vote

A COMPLETE VICTORY

Huntington And Neuner Outdistance Opponents

BENSON IS THE FAVORITE

Indications are that Huntington Will Lead Ticket With Neuner a Close Second—Assembly Men.

As has been predicted by the News, the assembly candidates for representative from Douglas county won hands down in Saturday's primary election.

Complete returns from twenty-four of the thirty-six precincts, up to 9 o'clock this morning, indicate that Huntington, assembly candidate for representative, will lead the ticket, while his running mate, Neuner, assembly, will follow a close second.

This situation may be changed, however, when the entire vote of the county is compiled, and it may be possible that Neuner will shoulder the responsibility of carrying the legislative ticket in Douglas county to success in the November election. Jones, of Roseburg, Wade, of Drain, and Wikson and McDonald, anti-assembly candidates, have been badly beaten, according to the late returns, a condition that evidences that Douglas county is decidedly assembly.

The County Ticket.

The successful republican aspirants from Douglas county follow: Representatives—Benjamin Huntington, of Yoncalla, and George Neuner, of Roseburg.

County Judge—J. C. Fullerton, of Roseburg. Sheriff—George Quine, of Riddle. County treasurer—James Sawyers, of Roseburg. County Clerk—William T. Emory, of Coles Valley. Surveyor—Frank Cain, of Riddle. County Commissioner—J. S. Wiley, of Myrtle Creek.

In connection with the selection of county nominees it might be said that Sawyers' victory over Frater was pitiful, and it is not probable that Frater will receive over 100 votes in the entire county. Frater was the anti-assembly candidate.

The State Results.

For the state and district offices complete returns from twenty-four of the thirty-six precincts in Douglas county show the following results:

For Congress—Hawley, 430; Mulkey, 280. For Governor—Abraham, 240; Bowerman, 310; Dimick, 90; E. Hofer, 70.

For Secretary of State—Benson, 612; Wingate, 98. For State Treasurer—Hoyt, 220; Kay, 280.

For Justice of the Supreme Court—four-year term, Bean, 270; McBride, 316; McCamant, 124. For Justice of the Supreme Court—six-year term, Burnett, 521; Moore, 592.

For Attorney-General—Crawford, 592; Hart, 118. For Superintendent of Public Instruction—Alderman, 592. For State Printer—Clarke, 398; Dunway, 212.

For Commissioner of Labor—Hoff, 430; Orton, 280. For Railroad Commissioner—Miller, 582. For State Engineer—Lewis, 540. For Superintendent of Water Division, No. 1—Chinnock, 334; Gettin, 476.

For Joint Representative, Douglas and Jackson counties—Buchanan, 474. For Circuit Judge, Second Judicial District—Coke, 497; Jones, 587.

Frank Benson, assembly candidate for secretary of state, probably polled the largest vote of any state or district candidate, and outdistanced his opponent, Wingate, by a vote of five to one. Crawford, anti-assembly candidate for attorney general, also shared a flattering vote in Douglas county—no doubt for the reason that he is a native of Roseburg, and is well known throughout the entire country.

For state treasurer Kay will probably defeat Hoyt by a small margin in Douglas county. His success is attributed to the untiring efforts of a prominent Roseburg democrat who has labored with all might in his behalf. This democrat is a relative of Mr. Kay, and has considerable influence in the republican ranks of the county.

are not so complete as those from the republican vote but the reports so far received give West 2285 and Myers 1424. Reports are wholly lacking from half of the counties, but West has led so generally throughout the portion of the state heard from that his nomination seems assured.
