ROSEBURG ONE DAY ONLY RAIN OR SHINE

FRIDAY, OCTOBER 28, AFTERNOON AT 2, EVENING AT 8

LOCAL NEWS.

One-fourth off on all pattern hats this week. Roseburg Beauty Parlors.
 John Hall, of Myrtle Creek, arrived in town this afternoon to visit with his daughter, Mrs. A. C. Seely.
 Charles White, of Myrtle Creek, is spending the afternoon in the city attending to business matters.
 Which would you rather part with, your hair or fifty cents for a good shampoo? Roseburg Beauty Parlors.
 Mr. and Mrs. Howard H. Whipple have filed papers with the county clerk declaring their intention of adopting Olga Millen, a minor child now in custody of the Boys' and Girls' Aid Society.

LOCAL NEWS.

Frank Hamlin, of Portland, is spending a few days in the city attending to business matters.
 There will be a card party Thursday evening, October 27 at the parish house of St. Joseph's church, Oak and Chadwick streets.
 A very quiet wedding occurred at the parsonage of the Methodist church south shortly before noon yesterday, when Geary Thornton and Miss Angeline Crawford, both residents of Oakland, were united in marriage. The ceremony was performed by Rev. K. M. Meers. The happy couple are well and favorably known in the vicinity of their home and have the congratulations of their many friends.

LOCAL NEWS.

Just \$24 tomorrow. That's all—Roseburg Beauty Parlors.
 Helen Hoover, daughter of Dr. and Mrs. E. V. Hoover is very ill at her home in this city with typhoid fever.
 Fred Butterfield, the young fellow who is wanted in this city on a charge of obtaining money under false pretenses, has not been captured as reported yesterday. The local officers received word yesterday morning that Butterfield had been arrested at Grants Pass, but investigation revealed the fact that the wrong man had been taken in custody. Accordingly he was given his liberty last evening. Butterfield is wanted here for issuing a couple of checks which he succeeded in passing on Roseburg business men.
 In fairness to G. R. Stein, The Evening News takes this opportunity of stating that an error was made in last evening's issue when it was stated that Bert Adderton was proprietor of the Roseburg restaurant. Mr. Stein leaves the restaurant from Mr. Adderton, and consequently the latter gentleman has nothing to do with the management of the hostelry. The error resulted from the fact that the complaint referred to at Monday evening's session of the council was presented in the name of Mr. Adderton and thus carried the impression that he was the proprietor of the restaurant.
 A deputy sheriff arrived in the city this morning from LaGrande in search of a fellow whose correct name is Edward Doss, but who is alleged to have assumed an alias in this city. According to the LaGrande officer Doss came to the Eastern Oregon city several months ago and was given employment by the O. R. & N. Co., under the name of Harris. There he remained for some time, and according to his custom contracted bills amounting to nearly \$200. He left LaGrande suddenly, so it is said, and came to Roseburg where he received employment as brakeman by the Southern Pacific Company under the name of Davidson. He remained here for nearly three months and suddenly left for San Francisco about ten days ago. Since his departure District Attorney Brown has been fairly swamped with complaints relative to his operations in this vicinity, and it is estimated that he contracted bills amounting to more than \$600. No one ever remembers of him paying a bill, other than the proprietors of several soft drink emporiums. Owing to the fact that to contract a bill is no crime, the district attorney is unable to interfere, especially in the event he has left the state. While here he was accompanied by a woman who claimed to be his wife.

Truth Against Falsehood

IT CANNOT BE DENIED

- Under the State-wide Prohibition law no building can be searched without a warrant issued by a Circuit Judge or Justice of the Peace. This proposed law contains no provision whatever for searching or examining the persons or personal effects of anyone. It contains nothing as to searches that has not been the law in Oregon for years. Your house and your suit cases will be just as safe as they always have been. ALL CRIMINAL LAWS PROVIDE FOR SEARCHES UNDER WARRANTS.
- Although the State is being flooded with false statements as to the RIGHT OF SEARCH under the proposed State-wide Prohibition law, we ask only that the law itself be printed in full and carefully read. Let every voter read the law in the voters' pamphlet issued by the Secretary of State.
- The so called HOME RULE SCHEME would prevent the taxpayer outside the corporate limits from having anything to say about the liquor business in his own town, while he would have to pay his share of the taxes needed to take care of the pauperism, insanity, and crimes that result from the liquor traffic. Is this not TAXATION without REPRESENTATION?
- Under the so called HOME RULE SCHEME, little liquor selling towns will spring up like mushrooms everywhere and defeat the will of the community that wishes to be DRY. Each little HELL-HOLE will be a KINGDOM of itself so far as the liquor business is concerned, with no power under the constitution or criminal laws, or elsewhere, to restrain it. No power to say how much or how little license money it will exact. Under the old liquor license law no town could grant a license for less than Four Hundred Dollars a year. HOME RULE would knock this out.

We Challenge Contradiction of these Statements.

- The WETS have petitioned for a vote on County Option again. Working on the quiet they are hoping by a still hunt to again place Douglas County in the WET column.
 Voters, BE ON YOUR GUARD, VOTE DRY, that the past two years of peace and plenty, progress and prosperity, happy homes and good citizenship may continue and increase.
 Remember you vote four times on the liquor question on November 8.
