**\$30.00 FRENCH DOLL.**

**Roseburg Pharmacy Will Make Present of It to Someone.**  
 On New Years Eve a beautiful doll will be given to one of our many customers. In making this gift we wish to express our appreciation of your patronage during the past year. We would like to make all a present, but in lieu thereof extend our best wishes. We will however, unconditionally present to someone the most beautiful and costly French doll that has ever been seen in Roseburg. All that is required is for our customers to write their names on the cash register tickets, which are numbered, and deposit same in a locked box. On New Years Eve the box will be opened by a blindfolded girl and the gift presented.

**DEFECTIVE LAND TITLES.**

Are in many cases caused by carelessness on part of conveyancer or scrivener in properly describing the land and showing the names of parties to conveyance correctly, but in most cases the fault is with the owner, who is too prone to think his title is infallible as long as he has a warranty deed. Many persons have thus lost thousands of dollars in lawsuits, when a few dollars could have saved them great loss and expense. "Know thy land as well as thyself", an eminent attorney once said, you can do so by having an abstract of your title made by us. Our abstract plant is the most complete in the state of Oregon. We own the only abstract records in Douglas county, without which a reliable abstract cannot be made.
