## FORTY MEN ARE UNDER ARREST

In the Event of Conviction They Will Be Executed—Ring Leader of Gang Is Brother of Association.

(Special to The Evening News.)  
SEOUL, KOREA, March 15.—A plot to assassinate former War Minister Selke Terachi, now Japanese Governor General Korea, by dynamiting a train upon which he was traveling, was frustrated through the American missionary, who sent out a warning early today. Forty Koreans have been arrested and are being held awaiting an investigation upon the part of the officers. In the event of conviction they will be executed. The military police today arrested An Ming Ken, who is believed to be the ring leader of the gang. He is a cousin to An Chung Ken, assassin of the late Prince Ita, who was resident general of Korea.

**Would Justify War.**

According to the international procedure, Mexico's stand would justify pushing troops over the frontier. In the language of Secretary Knox, Mexico's stand in the matter, will enable the United States to force the Japanese question to an issue and prevent the Mexicans favoring Japan to secure power.

**War is Eminent.**  
ST. PETERSBURG, March 15.—It was officially announced here today that unless China replies to Russia's mandatory note within ten days, further procedure will be left to the war office. It is understood that military demonstrations against China will be pushed vigorously. Secret reports indicate great military preparations in progress in China. The Chinese council received the Russian ultimatum today.

**Building Collapses.**  
NASHVILLE, Tenn., March 15.—One of the most horrible accidents to happen here for years, occurred this morning when the building formerly occupied by the G. H. Falls Hardware Company collapsed. Three men were killed outright, while five are dying, and at least fifteen others are supposed to be buried under the walls.

The accident occurred without warning, and the men who were employed in clearing the ruins recently caused by a fire were caught like rats in a trap. Immediately following the accident the injured men were sent to the hospitals, and a large force of men were set to work in hope of unearthing the bodies from the ruins.

**A Disastrous Fire.**  
MILWAUKIE, Wis., March 15.—Fire today destroyed the entire stock of the M. Hilly Lumber Company, consuming at least ten million feet of lumber valued at approximately \$200,000. The flames threatened the Menominee Valley manufacturing plant for a time, but were finally subdued. Fireman Frank Clark fell off a ladder while engaged in duty and is dying at a local hospital.

**One Man Killed.**  
SAN BERNARDINO, Cal., March 15.—One man is reported killed, and twenty others injured as the result of a head-on collision between Santa Fe passenger trains, Nos. 41 and 42, near Glendora, this afternoon.

### OBITUARY.

Mrs. Joseph McKee passed away at her home in this city, Friday evening, March 10, 1911.

Mrs. McKee had been an invalid years and of late death was almost daily expected. The remains were interred in the Yuccalla cemetery Sunday afternoon, March 12. The large number of sorrowing relatives and friends in attendance told plainly the high esteem in which Grandma McKee was known, as Mrs. McKee was known, was held.

The funeral services were conducted by Rev. Groat, of Cottage Grove, and the many in which the Master's promises were expounded, together with cheering words of comfort and consolation added nobly to the dispelling the gloom from the hearts of those left to mourn. Grandma McKee was beloved by all who knew her and her home, while she was well, and strong, was always open to the young folks and those less fortunate than herself.

While death to her was a benefactor, there are none but will miss her and the glowing twilight of her memory will be like a rainbow, bright and beautiful, engraved on the heart to remain forever.

Death was the liberator of him whose freedom cannot release the physician of him whose medicine cannot cure; the savior of him whose time cannot console.—Colton

Margaret Kinney was born in Fulton county, Ill., January 7, 1825. November 4, 1857 she was married to Joseph McKee, eight children blessing their union. In the year 1867 the family moved to Nebraska and in 1879 they moved to Oregon where they have since resided. Of the eight children, seven are living. They are Mrs. Geo. Applegate, Mrs. Walter Cowan, Henry and Walter McKee, of Yuccalla, Oregon; Mrs. Clara Green, Mrs. Chas. Wendenbush of Greenfield, Idaho and Mrs. P. H. Best, of Portland, Ore. One of their youngest sons, died May 29, 1902.
