(Special to Evening News.)

(Special to Evening News.) WASHINGTON, Marca 28.—Pol-lowing an extended investigation by the department of justice of what m ceclared to be the biggest trust in the world, announcement is made te-day that criminal prosecution of at least half a dozen of the most power-ful financiers in the United States will be instituted at once by the fod-eral government. Secret service agents have reported that they found evidence to show that a billion dolvidence to show that a billion dol-ar combine exists, the octupus being fathered by the Pennsylvania Rail anorred of the remaynamic kan-road, and organized to control the entire output of anthracite coal in the United States. The government, it is said, will undertake to show that this ginantic trust has existed for years and has secretly used its pow-

er to extort enormous profits from the coal trade. It is alleged by the government officials that the trust systematically throttlod all competi-tion by overwhelming cars from con-cerns pot in the trust, while immense coal land holdings were purchased and smoll railroads subsidized. The department officials assert that the Pennsylvania, Baltimore & Ohlo, Norfolk & Western are the most prominent railroads in the combine, Get Wrone Man prominent railroads in the combine. Got Wrong Man, PORTLAND, March 28.—The man siving the name of George Brown, arrested at Salem yesterday on the charge of being the suspected mur-derer of Barbara Holtzman, proved to be the wrong man and was re-beased this morning. The havilady of the rooming house where the mur-der took place failed to identify Brown as the party who rented the forom is which the body of the child was afterward found. Priferitary for Morris.

franchise

We thank you for your hearty co-operation in the affairs of the Ly-coum Course. We now come to the climax. The numbers have all been

ing of the municipal body. The fran-cilles, if granted, will run for a per-iod of 50 years. Thomas D. Potch, chief engineer of the company was present at the meeting inst evening, and upon in-vitation of the mayor, spoke brief-ly. Mr. Petch said that the com-pany he represents is at present op-erating plants at Medford, Ashiand, and several California cities, and are desirous of invading Rosoburg. "We and several California cities, and are desirous of invading Roseburg. "We are aware," said Mr. Petch, "that a gas plant in Roseburg will not pay a profit from the start, but neverthe-less we have faith in your city and believe that it will double in popu-lation within the next few years. In the event, such prediction is true, the ulant may become profitable as an investment. I have invasilgated the proposition at some length, and that they commers will be noc-cessary to pay current expenses of the plant."

the plant." Further, Mr. Petch said that the plant would cost in the neighborhood of \$50,000, or an amount equal to that expended in similar establish-ments in towns three times the size of Roseburg. Concluding, Mr. Petch urged that some immediate action be talven inasmuch as most of the ma-terial would have to be shipped from the East, thereby delaying the com-mencement of actual construction. cement of actual construction work

on motion of Councilman Micel-Upon motion of Connetiman Mreei-II, the application was referred to a special committee, apointed by May-or Haynes as follows: Conneilmen Joseph Micelli, S. S. Josephson and George E. Houck.

### Letter and Application.

The following is the letter and ap-plication presented to the consider-ation of the council last evening

ation of the council last evening: San Francisco, Cal. 3-24, '11 Mr. A. N. Orcuitt, City Recorder, Roseburg, Ore, Dear Sir: In accordance with con-versation between your homorable minyor, and also between Mr. Geo. Neumer, Jr., your city atformer, and the writer, I am enclosing you a memorandum for application for a franchise for the vection of a gas plant, and the laying of gas mains, in your eity. The berms of the franc-

of Roseburg, Oregon, for the par-pose of manufacturing, carrying and distributing gas for light, heat and power, to be granted The W. F. Boardman Company, under the fol-lowing conditions: First—Thut a franchise be hereby grainted to The W. F. Boardman Company, and their assigns, convey-ing unto them the right to lay gas pipes and conduits for a period of fifty (50) years in the public streets, allers, parks and thoroughfares of the oity of Roseburg, Oregon, for the purpose of manufacturing, car-rying and distributing gas for light, heat and power, and to make all necessary connections with said pipes and conduits. and condults,

necessary connections with said plues and conduits. Second—That no excavation made for the purpose of laying plues and conduits shall remain open longer than absolutely necessary for the lay-ing at said plues and conduits there-in, and that all parts of attracts, al-lers or sidawalits distinited by such excavating shall be humediately ces-tored to their former condition. Third—That the construction of a plant for manufacturing gas with a capacity sufficient to serve a popu-lation of twenty-five (25,000) thous-stid work diligently prosecuted within sixty (60) days hereof and said work diligently prosecuted thereafter to completion, unless un-recoldable conditions arise over which the grantees or their assigns have no control in which case the council may by resolution grant a reason-she extension and such cas plant shall be completed and in service within eight (8) months, from date; otherwise this franchise shall be de-cisive directed. Fourth—That the grantees or their assigns shall bear all expense of connections from the mains to the property lines on the streets and fol-tions differentiations from the mains to the structure in all such and fol-tions and such and such and fol-tions differents. For the the sprice to be

lines on alleys of property of each consumer. Fifth—That the price to be charged consumers of gas shall not exceed one dollar and sevents-five cents (4.7.5) per thousand cubic feet. All meters shall be furnished by the grantees or their assigns free of charge to the consumer. That said grantees or their as-signs shall be empowered to make such rates or discounts to any or all consumers as they may dealre, provided that such rates shall not occessed the maximum above medxcoed the maximum above mont

This franchise is granted subject This franchise rules and regulations reasonable rules and regulations the Common Council and the police powers Immediate Action Predicted. In the event the committee to whom the application was referred, ubmits a favorable report at the signar meeting of the council next Monday evening, an ordinance will be prepared under the direction of Mr. Potch, and the same will come in for consideration are in Acal Mr.

Mr. Poich, and the same will come up for consideration early in April. In the event it meets the approval of the council, and is accepted, the franchise will be granted, and the company will commence work within 50 days, thus assuring the comple-tion of the plant in eight months in accordance with the terms of the ap-plication.
