Rastus Bailey (colored), was arrested by Night Officer Williams last evening while roaming the streets in a drunken stupor. He was lodged in jail for the night and appeared before City Recorder Orcutt for hearing this morning. Interrogated relative to his conduct Bailey admitted his guilt and was fined \$10. He paid the amount after a brief soliloquy of the negro colony.

Edward Kopper, an inmate of the Soldiers' Home, left for Aurora, Mt. Hood and other points in the northern part of the state this morning where he will spend a few days visiting with friends and relatives. Mr. Kopper is the official mail carrier for the Home and is well known in this city.

Adrian Lee, the three months old son of Mr. and Mrs. John Moore died at the Glyn home in this city last night after a brief illness. The funeral was held at the family home this afternoon, burial following in the Odd Fellows' cemetery. The funeral services were conducted by Rev. Father Powers. Mr. Moore, who is employed as a switchman at Centralia, Wash., arrived in Roseburg this morning to attend the funeral. Mrs. Moore has been visiting at the home of her parents for several months and had expected to join her husband in a few days. The bereaved parents have the sympathy of the entire community in their day of sadness.

A man giving his name as Ben Hingworth, and his address as San Francisco, was arrested by Marshal Huffman last evening on a charge of drunkenness. When taken in custody the fellow was loitering about the depot, apparently bent on causing a disturbance. Upon being searched in the corridor of the city jail following his arrest, Hingworth was found to be well supplied with jewelry, and had all the appearances of a walking jewelry store. Other than \$6.50 in silver, the following articles were found upon his person: 9 rings, 1 stick pin, 12 pair of glasses, 3 watches, 2 watch fobs, 3 fountain pens, 1 razor, 1 pair of cuff buttons, and several hat pins. Knowing that a jewelry store was recently robbed at Eugene, Marshal Huffman notified the officers of that city last evening and it is probable that a man will be sent here today in an effort to identify the stolen articles. In the meantime, Hingworth will remain in the city jail.

GIVEN HIGH PRAISE.

The S. W. Miller is a piano of proven value. One of our recent customers in writing speaks of her S. W. Miller piano as not only very beautiful in case designs but says in every tone I find a delight. What greater praise than this could be given?

The S. W. Miller is a handsome piano with an agreeable tone. What more could one hope to secure in a good home piano? Nothing brightens up a home like a piano such as we have described above. We are factory distributors and sell from maker to user from factory to home. This system of buying direct saves you the jobbers', dealers and agent's profits. Rice & Rice, factory distributors.

THE artistic individuality of the S. W. MILLER PIANO aptly portrays the science and skill that is in vogue in the S. W. Miller Factory. The gracefully outlined case is

Far Famed For Fine Finish

As the most expensive Zanibar Gum varnish is exclusively used which is a guarantee that your piano finish will not check or crack. There is but one S. W. Miller quality (the best).

The Tone Truly Tells To Thorough

Musicians of the S. W. Miller success in drawing a scale so even one can scarcely tell where the break comes between the bass and treble. No person that is not fully posted in regard to the big profits usually made by piano agents can begin to appreciate the big saving that is to be had in the price on the "from maker to user" plan of selling pianos, originated in Roseburg by Rice & Rice.

Secret Explained

We are factory distributors and we save you the San Francisco jobber's profit, the Portland dealer's profit and also the agent's big commission. We pay no more store rent and keep no more clerks on account of handling pianos, because we attend to the piano business right along with other goods and we sell you a piano direct from factory at factory prices with freight, drayage and cost of handling added.
