WEDNESDAY, AUGUST 10, 1911.
TWO GOOD TO BE TRUE.

A Missouri editor who was brimful of hard cheer got a wedding account and a sale ad mixed, and served to his readers this dope:

"William Smith, the only son of Mr. and Mrs. Josiah Smith, was disposed of at auction to Lucy Anderson on my farm one mile east of here in the presence of seventy guests, including the following: Mrs. T. R. Stokes, 12 head of cattle. The Reverend Jackson tied the nuptial knot averaging 120 pounds on the hoof. The beautiful home of the bride was tastefully decorated with a seaweed calf, a spade, a sulky rake, one feed grinder, one set of double harness almost new and just before the ceremony was pronounced Mendelssohn's 'Wedding March' was played by one milch cow five years old, one Jersey cow, to be fresh next April, carrying a bunch of flowers in her hand and looking charming in a gown made of light spring wagon, two boxes of apples, two racks of hay, one grindstone, mouseline de soie trimmed with about 150 bushels of spuds. The groom is a well known and popular young man and has always stood well among society circles of twelve Berkshire hogs, while the bride is an accomplished and talented school teacher of a splendid drive of Poland-China—pedigree if desired. Among the beautiful presents were two sets of knives and forks, one spring hayrow, one wheelbarrow, one go-cart, other articles too numerous to mention. The bride couple left yesterday on an extended trip, term of 12 months—time extended to responsible parties otherwise spot cash luncheon will be served at the table. After this Mr. and Mrs. Smith will go to housekeeping in a cozy home at the corner of Main and Doctor R. L. Granby, auctioneer.

GOV. WEST IS ILL.

His Trip Into Curry County Will Be Postponed.
SALEM, Or., Aug. 15.—Although ill in bed today with a threatened attack of pleurisy, Governor West strongly repudiated any intimations that his honor system is at stake, and that recent assa'n'ts beain women by a parolee, contrasting would create public sentiment against the parole system as is now exercised.
Governor West's condition is such that he probably will be compelled to remain in bed tomorrow and possibly longer, as it is difficult to ascertain how severe the present attack might be. His Curry County trip will be postponed.

THE STRAW FIBRE CASE IS BEST FOR WOMEN

1. Because it is Light
2. Because it is Low Priced
3. Because it is Durable

Which is the most important of these three reasons?
When women are considered lightness is certainly the most important. With one of these cases any lady does not have to carry from three to ten pounds extra weight. This is a most serious consideration.

The value of the straw fibre cases are \$2 or below. They also come in more expensive coverings, such as real straw or as split hickory.

These last two classes wear about as well as leather, yet are very light and reasonable in price.

We carry an unusual good line of trunks and grip, as well as suit cases.

The Open Season

Is now at hand. The woods are full of festive hunters bent on bringing down one of the four-legged "spinsters." Many of them are meeting with success, while others are less fortunate. However, if you have missed getting in touch with a deer yet it may be no fault of yours. The kind of a gun one uses has something to do with the art of landing a buck. The way we are prepared to fit you out assures your success. This season's goods are found at our store in such an array that you need no other assurance of success. Buy your Guns, Ammunition and Hunters Supplies at this store and the game is yours. We carry everything from a 22-calibre almost to a cannon and can fill every want in the sporting line.

A W-W-W Guaranteed Ring in a Birthstone is certainly an Ideal Gift
You men and women, boys and girls, who are not wearing your birthstone should give the matter a little thought. Birthstones are the one ideal gift.
A birthstone in a W-W-W Permanently Insured Ring is certainly one of the most thoughtful ways in which you can remember your family and friends. Everybody is pleased to accept a birthstone-ring, and since the W-W-W is the only Permanently Guaranteed Ring, why think of giving any other make?
When you give a W-W-W Guaranteed Ring as a present, you as the receiver of the present fully realize that you are giving and receiving the best that is made. You fully realize that you are giving and receiving the only ring in the world that will not annoy the wearer by the stones coming out.
In case a stone should come out it is replaced absolutely free by the maker, or, if necessary, a new ring is given in its place.
These famous Guaranteed W-W-W Rings which you see advertised in the Saturday Evening Post and other magazines are for sale here in our store, and can be had at the same price that an inferior ring is sold for.
We ask an inspection of these W-W-W Guaranteed Rings.
