Judge Colvig says Medford Is Laughing Stock of Oregon.

MEDFORD, Sept. 6.—The Medford Commercial Club will work for law rates for Medford. At the close of a stormy session, with the president, Joseph Colvig, vigorously opposing the measure, a resolution to that effect was passed by the club. A number of railroad men were present, but the voice of the judge taunted the only dissenting vote.

"This is the most idiotic thing I ever heard of," shouted the judge, when the matter was introduced. "You are making Medford and the commercial club the laughing stock of Oregon. You men do not look at the thing in a reasonable light, but because you are backing a corporation, vote blindly. You will never get a railroad rate from the people that a railroad can live on."

An important deal in residence lots occurred yesterday when Dave Shambrook bought five lots in North Roseburg for \$1,500. Mr. Shambrook might be termed a realty expert and the fact of his having made this deal is only further evidence that Roseburg is all right and values are pretty sure to keep moving up.

Joseph LaChapelle, the barber, last evening sold his interests in the shop to Walter Houser, his partner. Mr. Houser is enjoying a brief vacation and will assume sole charge of the shop on Monday morning. Mr. LaChapelle expects to leave for Idaho Falls, Idaho, in a few days where he will locate permanently. He will be accompanied by his wife and children.

The funeral of the late Harvey Jones will be held at the family home, at the corner of Lane and Sheridan streets, tomorrow morning at 10 o'clock instead of at 2 o'clock in the afternoon as formerly announced. L. L. Matthews, superintendent at the Mt. Alto ranch, invested in a piece of Roseburg realty, yesterday, he having purchased the Nels Anderson place in North Roseburg. The property consists of four lots and a comfortable cottage, and is an excellent location. No doubt Mr. Matthews will be able to realize handsomely on his investment, as Roseburg realty is the "quickest money" of anything in Southern Oregon.

E. W. Nevers, who is associated with Mr. Aston in making a railroad survey from Marshfield to Roseburg, left for coast points this morning after a few days spent in this locality. Mr. Nevers had little to say regarding the survey during his sojourn in Roseburg, other than to contend that a railroad would soon be constructed from Marshfield to this city. Just what interests he represents is a conjecture, but it is generally believed that he is connected with the Hill system and is making the survey at the instigation of the Hill officials.
