LOCAL NEWS.

The case of the state of Oregon vs. Merton Cox, who was accused by E. W. Page of the crime of obtaining money under false pretenses, was dismissed in the local justice court this afternoon. Mr. Page refused to prosecute.

The North Deer Creek Grange held an open meeting last evening at the Pine Grove church which proved not only a most enjoyable affair but was a decided success from a financial standpoint. The box supper given in conjunction with the evening's entertainment netting the neat sum of \$25.75. Hon. Binger Hermann, of this city, delivered an address before the assembly and his remarks were well received by the large number present. Other features of the evening were songs and music by Mrs. Brumfield and Miss Green which added greatly to the enjoyable occasion.

ASK AN INCREASE.

Property Owners in North Roseburg Want Taxes Raised.

After receiving complaints relative to alleged excessive assessments since early last Monday morning, the members of the board of equalization were almost startled this afternoon when they received no less than twenty-five petitions from persons owning property in North Roseburg asking that their valuations be increased.

Of those who petitioned for the increase are B. E. Nichols, D. R. Shambrook, A. Cresson, William Hulsh, Charles Beckett, Elmer Wimberly, F. F. Patterson, Edward Cockerose, Fannie Woodward, and several others.

Other than the petitioners asking for an increase of their assessments there were several who appeared before the board today and asked substantial reductions from 6 and 8 per cent. George and Alice Campbell, alleged owners of lot No. 6 in section 36, township 27, S. R. 6 W., claimed they sold the land in question in March, and consequently were not liable for the taxes. On another tract, described as lots 5, 6 and 7 of the original tract of 91 acres has washed away, and they are entitled to a reduction on the missing land at the rate of \$20 per acre. On another tract of 30 acres, assessed at \$75 per acre, the owners alleged that the assessment is excessive and should not total over \$6 per acre.

John J. Sharp objects to the assessment of \$2,000 on 10 acres of land, known as lot 8, in Wiles Fruit Tracts. He says that \$50 per acre would be a reasonable assessment. The Douglas County Abstract Company protests against the assessment of \$25,000 on their fixtures. They claim that \$6,500 would be a reasonable assessment. S. F. Hamilton objects to paying the assessment of \$1,000 on four horses, and the sum of \$300 improvements. He claims the horses and improvements should be assessed as follows: Two horses, \$75 each; one horse, \$125; one horse, \$150; improvements, \$150.

The Commercial Abstract Company asks that their assessment be reduced from \$5,000 to \$2,500. The assessment is levied on fixtures and books. Frank Meyers objects to the assessment of \$1,550 levied on lots 3 and 4, in the Mt. Nebo tract. He says that \$100 per acre would be a just assessment. W. S. Hamilton protests against his assessment, and asks a general reduction. J. L. & S. A. Kendall claim that the assessment of \$749, levied on lot No. 1, in block D, is excessive. They ask a reduction. On another tract, known as part of lot 1, in section 25, township 27, S. R. 6 W., they claim that the same be stricken from the rolls. Kendall Brothers object to the assessment of \$19,000 on the machinery and improvements of the Winchester light and water plant. On account of the recent fire, which they allege, resulted in a great loss, they ask a general reduction. J. R. Meyers claims that the assessment of \$2,000 on 10 acres of land, in the Mt. Nebo tract, is excessive. He asks that the assessment be reduced to \$175 per acre. L. F. Meyers, complainant relative to the assessment of \$1,950 on 9 acres of land. He says that an assessment of \$175 per acre would be reasonable.

USE SWEEPING COMPOUND.

It collects the dust when sweeping, it preserves the floor, it prevents breathing disease germs, and makes the premises sanitary. NO-DUST for rugs and carpets, CEDAR-LINE for floors and linoleums. Put up the 150 and 200 pound barrels, and 100 pound sacks. Write us, Crescent Chemical Company, 526 Washington street, Portland, Ore. Compounds for sale by B. W. Strong, Roseburg, Or. n15

When your watch is out of repair you take it to a competent workman, and he goes over the works and carefully cleans and regulates them. The result is a perfect time-piece. The same is true of your piano. In order to get the best possible results from this most perfect and delicate of musical instruments, it should be regularly gone over by one who is thoroughly competent to put it in the most satisfactory condition. It should be perfectly tuned and voiced, and the action carefully regulated, if necessary. Your piano will then be a household joy. Let H. Jay Stone put it in condition for you. Phone 288-R. dtf

The Need of a Kitchen Stool

The kitchen stool is indispensable to half the women in the United States, though only one-twentieth have the use of this highly convenient article. The kitchen stool holds the same place in the household as the stool for the shop girl in the store, and it is needed almost as badly.

So harmful is it for a woman to stand on the feet that laws in progressive states have been passed to compel thoughtless and greedy store managers to provide stools or seats for the women employees. But few people realize the similar necessity for the woman who works in her own or someone else's kitchen.

Though few women realize the saving of a stool in pain, in hurt, and in disagreeableness, it is really very, very, great. In fact many women would save operations and long treatments by the use of the kitchen stool at the work table or at the sink.

The kitchen stool is inexpensive. You can get one by foregoing seventeen packages of gum or even fewer. A few pies less during a few months would also pay for the kitchen stool. Or two and a half dozen or three dozen eggs will easily obtain the indispensable article. For Sale by
