Mrs. J. W. Perkins underwent an operation for appendicitis at Mercy

hospital this morning. The patient is said to be resting easy this afternoon with excellent chances of a complete recovery. Dr. Sether was the attending physician.

Dallas Observer: It is now claimed that the petrified log leaves found in a garden in Cottage Grove included some of the raiment worn by Adam and Eve. That's right, but there was a high northwest wind when Eve hung out the washing that week and the clothes blew over to Cottage Grove from Polk county.

E. F. Hertz this morning filed a suit in the local justice court in which he seeks to collect the sum of \$29.05 from Leonard Kabat, formerly engaged in the manufacture of cigars in this city. Kabat is now a resident of Portland. Attorney Thomas Hayes, of Portland, is attorney for the plaintiff.

All members of the Roseburg Women's Christian Temperance Union are requested to meet in the parlors of the Methodist Episcopal church on Wednesday afternoon, 2:30 o'clock. Other than receiving reports of the state convention, numerous other matters of importance will be considered.

Fullerton & Richardson, the druggists, today placed an order with a Portland manufacturing plant for the fixtures of their new drug store, to be located in the Perkins building on Cass street. The fixtures are of mahogany and will cost in the neighborhood of \$5,000. According to the contract the fixtures are to be delivered in Roseburg by December 15, or approximately 15 days before the time scheduled for the completion of the building.

Little Roby Aboen, the thirteen-year-old son of Mr. and Mrs. William Aboen, sustained a severe injury to the hand yesterday while playing with an air gun. It appears that the gun was loaded, unknown to the Aboen boy, who later held his hand over the muzzle and pulled the trigger with a view of enjoying the sensation attendant to the concussion of air following his discharge. As is usually the case the gun was in readiness for action, and the shot entered the boy's hand with painful results. He was taken to the office of Dr. Vincel where the shot was extracted after considerable probing.

Frank Edwards, the unfortunate young man who fell to the pavement near the corner of Cass and Rose streets, shortly after one o'clock Saturday afternoon, died at Mercy hospital a few hours later in the day. Although every effort has been made to locate his relatives, no one in Roseburg appears to know anything regarding the man's history. A local barber, who was acquainted with Edwards during his residence in Ashland, says he was born in England, and has no relatives in the United States, even though the remains are not claimed within a day or two, they will be interred in a local cemetery at the expense of the county.

An accident, almost identical with the one which resulted in the death of Caesar Martini, above Glide, on Friday evening, occurred near Oakland Saturday, when the fourteen-year-old son of Mr. and Mrs. John McKay was seriously injured through the accidental discharge of a shot gun. It appears that the unfortunate lad was hunting in company with a friend, and was in the act of drawing the gun from a hack, muzzle foremost, when the trigger caught upon some obstacle with the result that the weapon was discharged. The boy was quite seriously injured and was immediately brought to Oakland where he was attended by a physician. Yesterday he was taken to Portland where he was admitted to Good Samaritan hospital. It is said that several shot were imbedded in the boy's hand, while others took effect in his arm and breast.

BORN.—At Looking Glass, Sunday, October 29, 1911, to Mr. and Mrs. H. Hughes, a boy.

HANKOW BURNS

Imperial Troops Recapture City and Sack it.

NON COMBATANTS SLAUGHTERED

Fearing Americans and Europeans May Get Hand Death—Judge Bordwell Hands Darrow a Lemon—Attack Decision.

(Special To The Evening News.) SHANGHAI, Oct. 30.—Warships lying off Shanghai received wireless communications today that the Imperial troops had recaptured Hankow, which fell into the hands of the rebels a few days ago, and were burning the city. It is believed that rebels, finding Hankow too hard a point to hold, voluntarily abandoned the city, their departure being followed by imperialists who immediately set fire and began a merciless slaughter of the people. Thousands of non-combatants are said to have been killed by the emperor's soldiers, and it is feared that among the slain will be found many Americans and Europeans.

THIRTY WITH COURT.

LOS ANGELES, Oct. 30.—Attorney Darrow was severely rebuked by Judge Bordwell today for attacking the court's decision of Saturday concerning the qualification of Jurors Frantom and Winters, whom Darrow asserted this morning, were qualified upon "an isolated portion of their testimony." The judge also overturned the challenge of the defense against two men because they said they could not conscientiously return a verdict of guilty on circumstantial evidence only. These two men are now being eliminated from the jury only on a peremptory challenge. Bordwell characterized Darrow's challenge as a flagrant effort to evade his decision given out last Saturday. The judge also declared that the substantial rights of the McNamaras could in no wise be managed by the defense. Those last jurors are in fact the prosecution would suffer if any one did.

FIVE DRUNKS JAILED.

Recorder Adopts a Good and Efficient Cure for Habitual Inebriates.

No less than five "drunks," arrested while enjoying "week-end" spree, were arraigned before City Recorder-elect Jack Wimberly this morning. Jack Malone, of Sutherlin, who has been arrested no less than a dozen times on charges of drunkenness, was picked up by Officer Williams near the postoffice Saturday evening. He was remanded to jail where he remained until yesterday morning when he was released upon depositing bail in the sum of \$27.50. Upon entering a plea of guilty in the police court this morning he was fined \$20, he paid the amount and immediately left for his home at Sutherlin. Geo. Matherly was arrested yesterday for the third time in as many days. When arraigned this morning he entered a plea of guilty and was fined \$15. Sheriff O. Silvers, who is ready with funds with which to liquidate the assessments he will spend the next 7 1/2 days on the streets. Dan McKay, who landed in jail for the first time during his residence in Roseburg, was among those who pleaded guilty this morning. He was fined \$5 and being short of cash, accepted the alternate of 2 1/2 days in the city jail. John Morgan, a colored gentleman, indulged freely in liquor on Saturday evening, and as a result, landed in jail bright and early yesterday morning. He was fined \$5, and accepted the alternate of 2 1/2 days in the city jail. John Ryan, another inebriate, who has been arrested twice during the past week was another man who fell prey to the willing hands of the officers yesterday. He entered a plea of guilty and was fined \$15. Failing in his effort to raise the amount of the fine he will spend the next 7 1/2 days in jail. In sentencing this morning's array of drunks, Mr. Wimberly announced that a new policy had been adopted by the office, and that all men who were unable to pay their fines would hereafter labor on the streets. With the adoption of this policy, it is expected that the number of habitual inebriates will decrease materially.

General Belief Is That Revolutionists Will Only Renew Their Efforts To Overthrow The Empire.

(Special To The Evening News.) PEKIN, Oct. 30.—In an effort to stop the revolution and hush the clamor for representative government the Manchua dynasty today issued an edict which amounts to a constitutional administration of affairs in China. The edict sent out provides for a parliament, revision of the present ineffective constitution, substitution of civil for present military measures for maintaining order, and for great courtment of the power now enjoyed by the emperor. It is believed, however, that the measures have come too late and that the revolutionists will continue in their efforts to overthrow the empire and establish a republic on the ruins.
