Do you need shelf cloth? It is a convenient, durable and very useful article that saves time, worry and fussing. It is handled by B. W. Strong, the furniture man, he also sells table cloth, floor cloth, and linoleum.

Brown and yellow is the most up-to-date color for living rooms in wall paper. Light papers with a touch of color are still fashion for bed rooms, and Strong, the furniture man, is the best person from whom to buy these papers for the wall. If

SQUIRREL POISON.

Every kernel of Bolduan's Poison Grain contains a deadly dose of powerful, quick-acting poison, "set" in the grain by a patented process. Rain, snow, dew or damp ground does not wash out this poison. It is the only poison which is as good six months after as the first day it is put out in the field. The best poison you've ever used, or your money back. MARSTERS DRUG CO.
