WILLIAM GELL,
Observer.

One week from today the voters will put their stamp of approval on one of every group of office seekers. Those who are not thus stamped will come forth and tell us why it happened. It reminds one a good deal of a "post-mortem" after a poker hand has been called. Of course, we do not speak from experience. We have heard it said only.

LaFollette is coming to Roseburg. He is an able and forceful speaker and will no doubt be appreciated by all those who will hear him. While we are supporting Taft and cannot fully agree with Mr. LaFollette's program every one must admire him for his absolute sincerity of purpose and the manner in which he has conducted his campaign in the face of great adverse circumstances.

Every one should turn out to hear Dr. Hill, the eloquent orator who will be in Roseburg some time next week. Dr. Hill is an orator of the old style. There are not many of them left in this country. But in Dr. Hill we find the Daniel Webster type, dignified, calm, deliberate, fascinating and with a message for his listeners. The date will be announced through the columns of The News Monday.

LOCAL NEWS.

Dr. Posey, specialist for eye, ear, nose and throat diseases. Eyes fitted with glasses. Parrott building.

Frank McDonald, of the Mt. Alto ranch, is spending a few days in Roseburg attending to various business interests and visiting with friends.

Mrs. M. R. Ryan returned to her home at Drain this afternoon after a few days spent in Roseburg visiting at the home of her nephew, B. F. Ryan.

Riddle Tribune: The Riddle post-office has been designated as a postal savings office and will be open for business May 1. Postmaster G. L. Grant has received all the necessary papers and instructions.

S. E. Krohn expects to open his new drug store, in the Macabee building on Cross street, next Monday. He will occupy the rooms formerly in possession of Mrs. Davies, the milliner, and Mr. Molesworth, the real estate agent.

Canyonville Call: Postmaster G. L. Grant, of Riddle, states that several indications point toward the establishment of a postal savings bank at Riddle. While he has received no direct information from the department regarding it, he has received communications from a bonding concern saying that they understand the office is to be made a banking office and the Riddle State Bank has also received correspondence in regard to being made a U. S. Depository for the postal bank.

Canyonville Call: Days Creek is a mighty busy place. The saw mill is running with a full crew, sawing the timbers for the new bridge across the South Umpqua. Aradison Bros are running their mill with a full head of steam. Wallace Raymond has his chopper running on the high speed, and the road supervisor, J. D. Sullivan, has a force of men out on the road. H. H. Gidney, our merchant, is a pretty busy man, too. There is not an idle man on Days Creek.

Riddle Tribune: The irrigation meeting called for Saturday evening was quite well attended. It was called for the purpose of organizing, but it was found that nothing could be done until something of a definite nature could be had from the Southern Pacific Company in regard to the dam. The committee to get signatures of the farmers as to the number of acres they would subscribe have about 600 acres subscribed. This is only half of the required amount to insure the building of the ditch but it is said that over 1200

acres will be subscribed as soon as everything is ready to organize.

William Van Buren left for his home at Portland this afternoon after a few days spent in Roseburg and vicinity looking after business matters.

Mrs. E. B. Pongra left for Eugene this afternoon to attend the funeral of Mrs. John O'Brien, who died at that city yesterday. Mrs. O'Brien is survived by a husband and one daughter, Mrs. Harry Stapleton, of Roseburg.

Douglas County Creamery butter is the best on the market. Insist on your grocer supplying you with a home product, which is always strictly fresh and guaranteed. Two pound roll 75 cents.

The Grand Grill yesterday installed gas lights and the same were in service for the first time last evening. The fixtures are very artistic and are so arranged that the entire room can be illuminated to the satisfaction of the owners and patrons at a very small expense.

Cottage Grove Leader: One of the finest pieces of roads in this section of the state is being made out of the road from Divide to Anlauf, in road district No. 21, Douglas county. This piece of road has been selected as part of the Pacific highway and the taxpayers of that district have become so enthusiastic that they have levied taxes aggregating \$5,990, which will be used in improvements. There are five mud-holes in this stretch of road which will be filled with rock. Three crews of men and 10 teams are at work on the highway. About eight miles of road will be immediately

made passable for automobiles. Other pieces of road connecting with this stretch are also being improved and a number of hills are being cut down.

Deputy Sheriff R. L. Whipple left for Salem this afternoon with Wesley Ferguson and Ernest Wells, who were yesterday committed to the reform school by County Judge Wonnacott. Ferguson and Wells are the youngsters who recently hired a couple of saddle horses at Smith's livery stable and were arrested south of Canyonville. The boys say they escaped from Frazier's detention home, at Portland, two weeks ago and prior to their arrest had visited a number of the more important towns along the line of the Southern Pacific railroad.
