#### Between Wilson and Underwood.

JACKSONVILLE, Fla., April 29.—In the state-wide democratic primary tomorrow the voters of Florida will record their preferences for nominees for the presidency, for the governorship and other state offices, for nominees for representatives in congress and for the legislature and minor offices. The contest for the presidential indorsement will be confined to Woodrow Wilson and Oscar W. Underwood. There are the only names that will appear on the ballot. Most interest centers in the contest for the governorship, for which there are five aspirants. They are Cromwell Gibbons, of Jacksonville, Park M. Trammell, of Lakeland, John W. Watson, of Miami, William H. Milton, of Marlanna and E. M. Semple, of Key West. Each of the three present representatives in congress is a candidate for re-nomination and each has opposition. In addition there are four candidates for congressman-at-large.

#### Youth On Trial For Murder.

WALKERVILLE, Cal., April 29.—John Nelson, one of the four youths charged with the murder of Peter Roberts in the Mad river coup near here last February, was arraigned in court today for trial. The three other members of the quartet, ranging from 16 to 20 years, already have been tried and convicted.

#### Wedding In Naval Circles.

PHILADELPHIA, Pa., April 29.—A wedding of interest in naval circles took place in Philadelphia this afternoon, the bride being Miss Pauline Persons, daughter of Remus Charles Persons, in charge of the naval hospital in this city, and the bridegroom Lieutenant David McDaugal de Breton, U. S. N. After a two months' tour of Europe the couple will take up their residence in Boston, where Lieutenant de Breton is at present attached to the Charlestown navy yard.

#### Louisiana Centennial.

NEW ORLEANS, La., April 29.—New Orleans is enfeate for the celebration of the one hundredth anniversary of the admission of the state of Louisiana to the Union. The centennial festivities will be conducted under the auspices of the Louisiana Historical Society and will continue

through the entire week. The program provides for historical exercises, banquets, parades and pageants commemorating the early and later history of Louisiana, which has been more picturesque than that of most of the American commonwealths.

#### TO THE PUBLIC.

Following our purchase of the three sand and gravel bars at the Cloako ferry, also the bar bordering the Hamilton Addition to Roseburg (the Grove) and our leasing until June 1 of the Umpqua River island bar in Roseburg from F. J. Blakely, reports were circulated that we intended to increase the price of sand and gravel furnished to the public. These reports are absolutely false and wholly without foundation. Sand and gravel will be sold by us to the Roseburg public, or anyone else, at no higher price than was charged before we acquired the bars. We reserve, however, the exclusive privilege of delivering the material until such time as the demand for it increases sufficiently to warrant the employment of other teamsters. If you want sand and gravel delivered to you at the same price you have paid heretofore, just let us know at the Empire Stables, corner Main and Washington streets, or phone 5.

#### LOCAL NEWS.

The W. C. T. U. will meet at the Baptist church next Wednesday afternoon at 2:30 o'clock. An interesting program will be rendered.

Mrs. Daisy Roof, of Portland, who has been spending the past few days in Roseburg visiting at the home of County Judge and Mrs. G. W. Wonscott, left for Ashland this morning where she will spend a few days with friends.

The members of the local gun club held another of their interesting shoots, at the rifle range north of town yesterday afternoon. Other than local participats, there were a number of Eugene marksmen in attendance, all of whom registered remarkable scores.

The officials of the Oregon and Southern Railroad this morning leased quarters in the Perkins building. The furniture for the offices was shipped from Seattle on Saturday and should arrive here not later than Friday of this week. The rooms leased by the officials are 209 and 210, situated on the second floor.

A hard times social will be held at Labor hall, North Jackson street, on Wednesday night, May 1. There is no charge for admission, and everybody is invited to attend. There will be plenty of coffee and pork and beans. Anyone wearing plutocrat clothes will be fined. A good time is anticipated, and the public is cordially urged to come and enjoy the evening.

The work of tearing down the old Abraham building, at the corner of Jackson and Oak street, will be commenced some time this week. As soon as the land is cleared, the work of erecting the new \$100,000 hotel will be commenced. The contractor hopes to have the building completed and in readiness for operation early this fall.

George Protzman, who was recently arrested on a charge of assault with a dangerous weapon in connection with attacking his mother, was arraigned in Justice R. W. Marsters' court late Saturday afternoon. Several witnesses testified regarding the trouble, and in one or two instances it was claimed that Protzman had repeatedly threatened members of the family with violence. Protzman did not attempt to explain away the trouble, simply stating that he was too drunk at the time of the trouble to remember what had occurred. After considering the evidence Protzman was held awaiting the return of District Attorney Geo. M. Brown. Bonds were fixed in the sum of \$500. Unable to furnish the same he will be detained at the "Hotel de Quine".

Contractor Frank Clements this afternoon started the work of clearing the lot formerly occupied by the I. Abraham building, and located directly north of the Kohlshagen butcher shop. This work, it is said, is in the preliminary of other improvements soon to be undertaken by the owners of this particular property.

The county court will meet in regular session on Wednesday, at which time they will be asked to modify an order recently entered by them and pertaining to the erection of an armory in this city. A number of the state military board will probably arrive here Wednesday morning that the members of the court may obtain full and complete knowledge of the position taken by the state in the erection of structures of this nature.

### A PRIZE CONTEST.

To Be Conducted In Connection With Carnival.

There are to be three events in connection with the Strawberry Carnival that should interest every boy and girl as well as every patron of the school. One of these is a prize contest in construction work and bread-making. All of these are open to the school children of the entire county, but the superintendent and teachers would very much like to see the pupils of the Roseburg schools win the majority of these prizes.

There are two prizes offered by the Churchill Hardware Co. for the two best bird houses. These prizes ought to bring about a very keen competition.

Two prizes are offered by the New-work store for the two best hand-made aprons.

The Rochdale store will give two prize for the best two loaves of bread.

The rules that will govern these are to be found in the bulletins which have been placed in the hands of the teachers. The exhibits offered in this contest may also be offered in the state contest if suitable. Much interest is being manifested among the pupils in the high school declamation contest. If the public approves of this sort of work in the schools we hope to have their approval shown by attendance at the contest, as far as the seating capacity of the Palace Theatre will accommodate them. The reason a charge for admission is made is to meet the necessary expenses of the contest. We added ten cents to the price of each ticket as a benefit for the orchestra which we believe is entitled to as much assistance as we are able to give.

There is much interest being shown in preparation for athletic work. We have the best of material, and the best of spirit in regard to its development, but we are greatly lacking in a place to practice and in means for securing instruction. We hope the day is not far distant when these shall be added to the essentials we already possess.

W. H. Adams and wife left for Eugene this morning after a few days spent in Roseburg visiting at the home of the latter's parents, Mr. and Mrs. Spelcher, in Edenbower.
