Yes, we wash for the whole family. There are 3 methods of doing family washings—do it yourself, hire a wash woman or send it out. The last way is the only correct way—if you send it to the right place. We do family washings, rough dry, starching all pieces to be starched, and ironing the bed and table linen, towels and handkerchiefs. We also guarantee satisfaction.

STEAMER COSTUME.

Knitted Suit For the Young Girl.

IN GRAY AND BROWN WORTER.

No matter how the breezes blow on deck, the ocean traveler if gowned in the knitted costume illustrated will be comfortable as well as smartly attired. The Norfolk jacket is natty and close fitting, and a becoming feature is the deep sailor collar of white pique. The close fitting little straw motor bonnet is very fetching.

Helpful Hints For Homes.

To take away the oily taste when using oil for frying make the oil very hot and then fry a piece of onion in it and when brown take it out.

When darning stockings run a thread round each hole before beginning and draw until the edges run flat. This makes the hole appear smaller, and it will be much easier to mend.

Scalds or burns can be cured by applying oatmeal and cold water. The cooling qualities of the meal help to draw out the fire from the burn, while its soothing properties heal it.

A simple and excellent way to remove dirty marks from a raincoat is to cut a raw potato in slices and rub it well on the marks. It will also remove mud stains from dress skirts, children's coats and gentlemen's trousers.

Now is the time when housewives should be thinking about a stock of herbs for winter use. The best plan is to dry the cut herbs in the sun, the plants being laid on sheets of paper or in trays. When this is not possible they may be dried in front of the fire or in the oven.

Ring Off.

Two telephone girls in different exchanges were having a chat over the wires on the subject of dress. Both were going to a garden party on the following Saturday afternoon, and the discussion on what they should wear waxed interesting. Ten minutes passed and the topic was still far from exhausted, but an insistent masculine voice at last compelled one of them to turn her thoughts to other things.

"Are you there?" the voice called. "Are you there? Hello! Ap. at last. Who is that speaking? Who are?"

"What time do you think you're only?" demanded the girl, annoyed and indignant.

"I don't know," came the weak and weary reply; "but, judging from all I've heard just now, I think I must have got on the clotheslines!"

Using Old Stockings.

Instead of throwing away your old stockings when the feet are worn out, cut off the feet and rip the stocking open at the seams. Sew them together, keeping the narrow parts together, and of them make the top of your petticoats.

After the stockings have been sewed together fit them about the hips, sew on a waistband and trim off even about the bottom. Add a corded silk ruffle the necessary length and attach it to the stocking top by a French seam and you have a perfectly fitting petticoat at about half the cost of one bought in the shops.

To Wash Blankets.

When washing blankets put two large tablespoons of borax and one pint bowl of soft soap into a tub of cold water. When dissolved put in a pair of blankets and let them remain there overnight. Next rub them out and rinse thoroughly in two waters and then hang them out to dry. Do not wring them.

In Case of Fire.

The gas jets of small city rooms are often placed near a window, and fires have been started through the curtains being blown toward them. To obviate this danger sew several small weights in the lower seam of such curtains to hold them down or at least to prevent them from flying high with every breeze.

Diplomatic Distinction.

Customer—Don't you think one of my feet is larger than the other?
Shoe Dealer—No, indeed, madam! On the contrary, I think one is smaller than the other!—Journal Amusant.

TO THE FRUIT SHIPPERS.

The Southern Pacific Company are arranging a cheaper rate to take effect August 1, 1912, on green fruit (except apples) from all points on the Southern Pacific lines in Oregon to Cincinnati, Buffalo, Pittsburg, Philadelphia, New York, Boston and other points in that district. The present rate being to all points except Boston \$1.50, and to Boston \$1.55 per hundred pounds. The new rate is to be \$1.25 per hundred pounds, thus making a reduction of 35 cents and 30 cents per hundred pounds respectively. This change has the effect of making the rate on green fruit (except apples) to all Eastern points the same and shippers of pears, prunes, peaches and similar fresh fruits will be able to ship to all points without any change in rates.
