The English royal family as well as the Imperial family of Germany was represented at the celebration, for the venerable grand duchess was before her marriage the English Princess Augusta, daughter of the Duke of Cambridge and own cousin of Queen Victoria. She is the eldest woman of the English royal family and was always spoken of by the late King Edward as "our doyenne". In spite of her 90 years the grand duchess is active of mind and body. SUTHERLAND LANDS BRING HIGH PRICES.

Des Moines, Iowa, Man Purchases Orchard Tract—700 Per Acre.

The record price for orchard land in Sutherland Valley was broken Tuesday when M. S. Bateham, of Des Moines, Iowa, paid \$700 an acre for an orchard tract of seven acres adjoining Capt. A. G. Morris' tract just east of town. The land contains a fine orchard of three-year-old trees and offers a fine building site on which Mr. Bateham will build a modern home.

Owing to the very busy season with the farmers in the middle west only about fifteen homeseekers arrived here Monday on the Luse Land & Development Co.'s excursion. Every one of the visitors purchased orchard tracts, however, and the land sold was among the highest priced in the valley, running from \$400 to \$700 per acre.

Among those who bought and remained here are Mr. and Mrs. L. A. Peters and family. Mr. Peters is a plumber and will engage in business here.

S. J. Ellison, who was in charge of the excursion, states that there were a large number of people throughout the middle west who would come to Sutherland Valley the coming fall to take up permanent homes.

Charles Wiberg, Ed. H. Olson and Mr. Rehwelt, all of Minnesota, bought fine orchard tracts in the east end of the valley.

On Monday afternoon Mrs. W. E. St. John and Mrs. W. J. Phillips entertained the excursionists with a delightful luncheon at the home of W. E. St. John.—Sutherland Sun.

CRANE RETIRES MUCH EVIDENCE

From Congress at the End of Present Session

ANOTHER MILESTONE FOR PRYOR

Detroit, Mich., The Scene of a Grand Celebration—Demurrage Hearing Is Scheduled At Chicago Today.

(Special to The Evening News.)

BOSTON, Mass., July 19.—The announcement of United States Senator W. Murray Crane that he will retire from congress at the close of his present term has not only the Bay State politician but the nation and started the buzzing of numerous senatorial bees on both sides of the political fence. The leaders have awakened to the fact that there is little time to lose in preparing for the contest, as Senator Crane's term will expire next March and his successor must be selected by the legislature that will be elected next November.

The first flame that flew to the minds and the lips of the republican politicians when the Crane announcement was made, was that of Curtis Guild, Jr., who served two terms as governor of Massachusetts and is now the United States ambassador to Russia. By a seeming coincidence Ambassador Guild arrived in New York from St. Petersburg on the day following the announcement of Senator Crane of his intention to retire. The Ambassador's visit home was very brief and its real purpose has never been made public. The general opinion is that Mr. Guild would like to be elected senator, but would not enter into any active contest for the honor. His selection, it is believed, would meet with the unqualified approval of Senator Crane.

But since Ambassador Guild returned to his post at St. Petersburg without making known his position in regard to the senatorship, a number of other leading men of the republican party are preparing to get into the race. It is considered certain that Congressman Samuel McCall, will shortly announce his candidacy. That Congressman John W. Weeks will do the same thing is regarded as equally certain. Another who may cast his hat into the ring is Congressman Augustus P. Gardner. Mr. Gardner's plans, however, hinge on those of Mr. Guild. If the latter is a candidate, Mr. Gardner will not enter the race.

Another possibility on the republican side is Eben S. Draper, former governor and millionaire manufacturer. In speaking of the senatorship, Mr. Draper says: "I esteem the United States senatorship very highly. The place has a great attraction for me. I am seriously considering becoming a candidate for it."

But the fight for Senator Crane's seat is not to be confined to the republican party by any means. Believing that the nomination of Woodrow Wilson will have the effect of bringing out a heavy democratic vote in Massachusetts next November, the Massachusetts democrats felt that a good democratic candidate for the senate would not be wasting his time by making the fight.

So far Mayor John F. Fitzgerald, of Boston, is the only democratic candidate actively in the field for the senatorship. The name of Governor Foss has been mentioned in connection with the toga, but so far he has taken no step to enter the race. Mr. Foss recently gave out that he intended to retire from the governorship at the end of his present term, but his closest political friends expect that he will become a candidate for renomination this fall.

A few weeks hence Mayor Fitzgerald will begin his speaking campaign for the senatorship. "Governor Foss has assured me that he will not be a candidate for the United States senate against me," says Mayor Fitzgerald, "all reports to the contrary notwithstanding. I do not know whether the governor intends to seek re-election. There is no reason in my mind why the next legislature should not be democratic. The people will certainly see a campaign

WRECK LAID TO WOMAN.

Railroad Tower Tender Is Now Reported To Be Insane.

CHICAGO, July 18.—Discovery today that Mrs. D. A. Wilcox, the tower operator at Western Springs, near where a wreck occurred on the Chicago, Burlington & Quincy Railroad last Sunday, costing the lives of 13 persons, once was confined in the Dunning asylum, caused Coroner Hoffman to summon her for investigation tomorrow.

P. S. Eustis, passenger traffic manager of the road, issued today a statement regarding the case, in which he said in part:

"May 29, 1911, a letter was addressed to the chief dispatcher at Aurora informing him that Mrs. Wilcox had been in an insane hospital and that it was thought she was not right at that time. One of the company physicians examined her and reported he found her in normal condition, both physically and mentally; that he had interviewed several parties in La Grande in regard to her and was informed that while she was in the hospital at Dunning in 1907 she returned in a few days, as there seemed to be no occasion whatever for holding her there. "He was informed that ill-feeling

existed between the party who made the complaint and Mrs. Wilcox, and we concluded that the charge that she was unbalanced was prompted by malice not an unusual thing in our experience.

"After these reports had been received Mrs. Wilcox was put to work June 17, 1911. Her work has been reported satisfactory and the facts regarding the accident do not indicate any ground for censure on the handling of the tower signals of which she was in charge."

DRAIN MAN IS KILLED IN PORTLAND.

Is a Brother of Mrs. Arthur Jones, of Roseburg—Funeral Will Be Held At Portland.

A fall from the tower of the new steel bridge at a point almost at its top to the deck of the approach, a distance of between 65 and 70 feet, so seriously injured Robert Craig, a riveter, yesterday that he died at the hospital several hours afterward.

Craig was at work on the upper landing to the second stairs, when he became overbalanced and fell headlong to the bridge deck. He struck the guard rail of the approach and then bounced back into the road way, where he was picked up by fellow workmen.

He was taken to St. Vincent's hospital, where he was attended by Dr. William Skeene.

Craig formerly lived near Drain, Or. In Portland he lived at 1044 Congress street, where he had a wife and three children. He was 42 years old. Today would have been his last day of work on the structure. An inquest will be held at 4:30 today.

Another accident on the new bridge yesterday resulted in injuries to P. S. Creveling, of 169 Sixteenth street. He was struck by a timber which fell about 30 feet, and sustained injuries to the head and back, but they will not prove serious.

Christian Freece, a carpenter, was also injured by a fall yesterday. He was working on a dwelling at East Fifteenth and Hancock streets, when he fell and broke his left leg. He lives at 229 Thirteenth street.—Oregonian.

SELLING ANSWERS

KELLER'S CHARGES. Sends Lengthy Letter To Secretary Of State Ben Ocott.

SALEM, Or., July 18.—A letter from Ben Selling, republican candidate for United States senator, denying charges preferred by Arnold Keller, of Portland, to the effect that Selling had violated the corrupt practices act by failing to file with the secretary of state a complete expense account, reached the secretary of state today, but it came too late, for Keller's complaint was sent to District Attorney Cameron Tuesday. The law provides that if within a certain time after the filing of a complaint of this kind, the person charged does not answer the matter it must be referred to the district attorney for action, and, complying with the law, the secretary of state forwarded the Keller complaint.

A copy of the complaint, according to Selling, reached him in Yellowstone Park July 14.

Keller charged Selling with having expended \$10,000 for stamps and letters in waging his campaign, and also with spending large sum for newspaper advertising, which were not included in his expense statement. Selling denies the charges.

AFTER SLAYERS

Higher-Ups May Be Compelled to Appear in Court

MAYOR EXPRESSES SURPRISE

Rumored About The City That a Prominent Official Will Be Arrested and Tried On Charge of Murder.

NEW YORK, July 19.—"The trail leads where I thought it did," remarked District Attorney Whitman late today.

This was just after he had heard the statement of "Jack" Rose, the friend of Police Lieutenant Charles Becker and the man who hired the gray automobile in which the slayers of Herman Rosenthal, the gambler, drove to the crowded corner where they shot him early last Tuesday morning.

Little by little the tangled skein of motives and personalities behind the murder is being unravelled and today it seems probable that other important arrests will follow speedily.

Rose's surrender and confession that he hired the "murder car," although declaring he was not in it, were the big events yesterday, but other developments were not lacking.

Mayor Gaynor took a personal hand in the investigation. He sent for Lieutenant Becker, against whom were lodged Rosenthal's first charges that the police force was both protecting and bleeding gamblers. The Mayor, Police Commissioner Waldo and three other policemen were closeted for two hours.

No statement of what was said came out, but the mayor later took occasion to give out a letter he sent yesterday to the commissioner expressing surprise that Becker should sit down to dinner with a man of Rosenthal's character. "That he did seems to be admitted," the mayor commented.

District Attorney Whitman had his say in a letter sent to Commissioner Waldo today, relating to the commissioner's request for an immediate and complete investigation of allegations of partnership between policemen and gamblers.

"When you asked this before," wrote Mr. Whitman, "Herman Rosenthal, who had made the charge, was alive. I had proceeded so far that he was to appear before the grand jury and give details and names of other gamblers to substantiate his charge. On the night preceding the day fixed, he was assassinated, evidently by men who feared his testimony, or their agents, on the principle that dead men tell no tales."

It was reported about police headquarters this afternoon that the arrest of a leading police official soon would take place in connection with the murder of Rosenthal.

Hundreds of the gambling fraternity attended the funeral of Rosenthal yesterday.

Aaron J. Levy, counsel for Louis Libby and William Shapiro, who are under arrest and are the alleged owners of the "murder car," gave out a statement regarding Shapiro's conduct at the time of the murder. Shapiro has admitted, according to the police, that he was the driver of the car.

"Shapiro," said Levy, "told me that after the shooting he was working with his motor and pretended it would not start. One of the party said: 'Don't stall that engine. You had better get it started and be quick about it.'"
