Farmers Anxious For Assistance—Mikado's Funeral Costs Cruiser Trip — Portland Car Fares Are Reduced.

Harvest Hand Scarce.  
WINNEPEG, Man., Aug. 15.—Although the governments of Manitoba, Saskatchewan and Alberta have been working in conjunction with the railroads for some time to procure laborers for the wheat harvest these pro-

vinces are suffering greatly from lack of labor. Saskatchewan uses about 26,000 men, Manitoba even more, while Alberta employs about 26,000. This does not include the vast army of men needed by the railroad construction camps and other activities in the West and all over Canada.  
The People Pay For It.  
SEATTLE, Wash., Aug. 15.—Preparing to take Secretary Knox and his party to Japan to attend the funeral of the late Emperor Meiji, the armored cruiser Maryland proceeded to the Puget Sound navy yard to undergo repairs.  
Strap Hangers Half Fare.  
PORTLAND, Or., Aug. 15.—The city council passed a measure in favor of the strap-hanger when it voted favorably on an ordinance providing that strap-hangers should be charged only half fare. The ordinance requires the railroad company to sell books of 100 tickets for \$2.50 these to be good for standing room.  
Curious To Hear Darrow.  
LOS ANGELES, Aug. 15.—Two thousand persons attempted to storm the court room on the afternoon that Clarence Darrow made his eloquent appeal on his own behalf before the last jury probably that he will ever

face. Men and women fought to see him and he was rescued from the press of people only after a force of deputy sheriffs had been ordered to the scene.  
Alaska Sends Progressive.  
SEATTLE, Aug. 15.—James Wickersham, progressive has been elected a delegate to congress in Alaska according to returns received here. Wickersham took part in the recent progressive convention at Chicago and is a supporter of Roosevelt. The total vote of Fairbanks, the largest city in Alaska was: Wickersham, progressive, 318; Krauczunas, socialist, 127; Gilmore, republican, 100; Jennings, democrat, 89.  
Cotton Workers Strike.  
NEW BEDFORD, Mass., Aug. 15.—Plans are under way to bring about another strike in all the cotton cloth mills in this city. Frank Morris, a national organizer of the Industrial Workers of the World, is here from Chicago, to confer with the labor leaders. Twelve mills already are closed and 13,000 men are on strike.

WASHINGTON, Aug. 15.—Through representations made to the state department an inquiry will be start-

ed into the report that four American officers of the Pacific Mail Company's liner Newport were set upon by native police in Panama and badly beaten.

Mrs. N. A. Callamore, who has been ill at Mercy hospital, is again at her home on Lane street.  
Otto D. Drain, of the Portland fire department, is spending a few days in Roseburg visiting with friends and relatives.  
Mrs. Clarence Thomas, of Bellingham, Wash., arrived in Roseburg this morning to spend about ten days. Mrs. Thomas has a nephew residing in the vicinity of Glide and it is possible that she will visit at that place before returning home.  
According to a telephone message received here this morning the Roseburg contingent of militiamen who have been spending the past ten days at Clackamas will return here tonight.  
Fred S. Hamilton, of Dunsmuir, Cal., arrived in Roseburg last night and left this morning enroute for Cow Creek Canyon where he will spend a few days hunting. Mr. Hamilton says he will be followed within a few days by a number of other California hunters who prefer the Oregon forests to those of their own state.  
Contractor Grafton Worthington this morning received a postal card from Attorney F. G. Micelli who is headed across the continent preparatory to sailing for Europe. The card states that Mr. and Mrs. Micelli are enjoying the trip and will sail for the old country about the 18th. As usual, Mr. Micelli implores Mr. Worthington to take good care of "Danny" pending his return.  
Feeling that he is in the right and that he is being imposed upon by certain members of the local official family, John Hunter is working unceasingly in hope of securing sufficient signatures to a petition to block any action that may be undertaken by the city council in the direction of giving to the Southern Pacific Company a franchise of Sheridan street for sidetrack purposes. This afternoon Mr. Hunter said he was meeting with excellent success and that his petitions were fast gaining in popularity. Every man approached is told not to sign the petition unless he is willing later to sign a petition recalling the mayor and certain members of the council. It is probable that Mr. Hunter's petitions will be presented to the council next Monday evening. In view of the present controversy it is difficult to determine what will be done with either the franchise or the opposing petitions.
