

A NEW BUILDING

Moose Lodge Purchases K. of P. Property

BUILDING COMMITTEE IS ACTIVE

Four Story Structure To Be Erected As Soon As Necessary Plans and Specifications Can Be Prepared—71 New Members.

Acting upon a report submitted by an investigating committee composed of Attorney W. W. Cardwell, Dr. K. L. Miller and Southern Pacific Agent L. B. Moore, the members of the local lodge of Moose last night decided to purchase the property at present belonging to the K. of P. lodge, and situated opposite the McClallen hotel at the corner of Jackson and Douglas streets, and the adjoining lot, owned by August Schloemann and occupied by the second hand store of Powell & Hamilton.

The two lots combined will give the Moose building a frontage of 80 feet on Jackson and Main streets and 102 feet on Douglas street. The price is said to approximate \$10,000. The property is surrounded by paved streets and cement sidewalks and was selected from eight proposals offered for consideration.

After adopting the recommendations of the investigating committee it was decided to close the deal at once in order that the lodge may commence the erection of a beautiful \$70,000 home within the next few weeks. To this end, the members of the investigating committee were retained to act as the general permanent building committee. Attorney W. W. Cardwell, chairman of the committee, this morning informed a News representative that the abstracts of the properties would be examined within the next few days, and if found satisfactory, the first installment of \$1,000 would then be tendered to the present owners of the land. The remainder of the consideration will be paid in semi-annual installments.

The building committee will also solicit plans and specifications for the contemplated lodge structure within the next week. Tentative plans indicate that the building will be four stories high, with basement, and will be constructed of pressed brick. The basement will contain a gymnasium, swimming tanks, private baths, barber shop, and last, but not least a complete natatorium. The latter will be 60x100 feet in dimensions and will be strictly up-to-the-minute in every particular. The several basement apartments will have tile floors, and entrance will be gained by a spacious marble stairway leading from Jackson street.

The first floor will be divided into three store rooms, all of which will front on Jackson street. Especially arranged to meet the demands of

merchants, it is the belief of the building committee that these rooms will be rented without the least difficulty.

The second floor will be divided into offices, and in addition will contain bachelor quarters for the convenience and pleasure of lodge members.

The third floor will probably be devoted exclusively to offices, while the fourth floor will contain the lodge and club rooms. Although the plans are as yet of a tentative nature, they indicate that the building will be one of the finest in Southern Oregon and will add materially to the appearance of the vicinity in which it is to be erected.

As soon as the plans and specifications of the building can be prepared they will be submitted to the lodge for final acceptance. The action of the lodge in accepting or rejecting the plans will probably depend upon the recommendation of the building committee which has the preliminary work in charge.

Other than discussing the new building, the lodge last night admitted 71 new members. To date the local lodge has over 400 members and is in the best of financial condition.

BUDGET BILL IS SUSPECT NEGRO

Again Vetted by Taft—Message Very Brief

INSISTS ON COMMERCE COURT

Congressman Notifies Executive Bill Will Be Passed Over Veto—Sherman Notified of Renomination.

(Special to The Evening News.)

WASHINGTON, Aug. 21.—President Taft today vetoed for a second time within a week, the budget bill, because the measure provided for the abolishment of the commerce court. Members of congress, following the president's action today, informed him that the bill would be passed over his veto. Taft's veto message was very short, containing only ten lines, and in it he called attention to his objection to abolishment of the commerce court as expressed in a former message.

Budget Bill Passed.

WASHINGTON, Aug. 21.—By a vote of 154 to 53 the house, carrying out the statement of a number of congressmen after Taft's veto message was read, this afternoon passed the budget bill, which provides for the abolition of the court of commerce, over the president's second veto. Twenty-two republicans voted with the democrats, and it is believed that the senate will follow in the wake of the house and also pass the measure over the executive's veto.

Senate Failed To Concur.

WASHINGTON, Aug. 21.—An attempt to pass the budget bill over the president's veto this afternoon failed. The vote stood 34 to 27. Forty one votes were necessary.

Sherman Is "On".

UTICA, N. Y., Aug. 21.—James A. Sherman, the present vice-president and nominee for re-election, was officially notified today of his re-nomination by the republican national convention. United States Senator Sutherland, of Utah, delivered the notification address. Accepting the renomination from the standpatters, the vice-president spoke briefly in reply, laying stress on the platform adopted and the course pursued by the republican party.

blood on her bed at 5 o'clock yesterday morning.

The two had spent the evening together in the living room. The father was reading while the daughter played the piano, and at 10 o'clock they said their prayers together and retired to separate rooms. Mildred had asked to be called early next morning, as they were to do their weekly washing together, but Mr. Green, who arose at 6:30, did not go upstairs to awaken her, deciding to let her sleep longer. He had started a fire, had put the washing on the stove and had started to do some of the work, when at 8 o'clock he mounted the stairs to call Mildred. Receiving no answer to his calls, he entered her room and was horrified to find her murdered.

Had Been Violated.

Examination showed that the body had been violated after death. Nothing, either downstairs or upstairs, had been molested, indicating that the murderer had not entered the house for the purpose of robbery, but had probably seen the girl on the street the evening before and waited till she had gone to sleep to kill her.

Mrs. C. B. Patrick left for Rice Hill this morning to join her children who are enjoying their annual outing at that place.

WASHINGTON CITIZENS PROTEST

Bellingham People Unite To Prevent Confirmation of Federal Judge Appointee, Who Is a Corporation Man.

(Special to The Evening News.)

WASHINGTON, Aug. 21.—A stubborn fight to prevent the confirmation by the senate of the nomination of Clinton W. Howard, of Bellingham, to succeed Cornelius H. Hanford, as federal judge for the western district of Washington will be made by progressive members of the upper house of congress.

"The people of Washington," said Senator Miles Polindexter, "object to Howard's appointment and that is the reason I am opposed to him. He is affiliated with and controlled by the same interests that corrupted Hanford. He was a lobbyist for the interests before the state legislature."
