## SQUIRREL POISON.

Every kernel of Bolduan's Poison Grain contains a deadly dose of powerful, quick-acting poison, "set" in the grain by a patented process.

Rain, snow, dew or damp ground does not wash out this poison. It is the only poison which is as good six months after as the first day it is put out in the fields.

The best poison you've ever used, or your money back!

## There Are Ten People in This City Capable of Filling That Job!

Perhaps not that many really efficient workers will read your ad on its first publication. But those who are, at the moment, "eligible" for new employment, will read it—and will be pretty sure to answer it. And—to find a really efficient worker is to find "good fortune".
