It was stated this afternoon that a number of other owners of motorcycles will be arrested as will several automobile drivers. Numerous complaints have been lodged with the officers of late relative to the manner in which motorcycles and automobiles are driven through the streets. In the past little attention has been paid to the ordinance regulating the speed of these machines, and not until the marshal was fairly diluged with complaints would he take any action.

Don't wear glasses before you have had it proved to your entire satisfaction that your trouble will be removed by their use. At the present day too many glasses are sold without any regard to the eyes. What you need is a thoroughly sound, honest, straightforward opinion, supported by the necessary skill, experience, qualification and reputation. Dr. Lowe explains plainly and fully why your eyes need glasses and gives you every proof of the benefits you will derive from their use. His 26 years experience is behind his methods. He is now at Hotel McClallen to remain till Saturday noon. Consult him about your eyes and glasses.
