## Woman's World

Miss Theora Carter, Apostle of the Toothbrush.

MISS THEORA CARTER.

Miss Theora Carter is the handsome president of the Good Cheer society, which came into existence under her direction several years ago.

The aim of this society is not any particular form of benevolence, but to do good in general. The latest form of Miss Carter's good cheer work has been along the lines of toothbrush distribution among the very poor children in the tenement districts of New York city.

She hopes, through the distribution of toothbrushes, to awaken interest for the combating of an evil which, she says, is responsible for the carrying of many diseases, such as typhoid, tuberculosis and others.

Miss Carter was born in Seattle and attended the University of Washington.

### IT DOESN'T COUNT.

What the Chinese Think of Dan Cupid's Pranks.

We do not believe in love, for love is not the greatest thing in the world. It is not even a thing nor substance.

Love is the antithesis of reason, for man sees with reason and only feels with love, and it is the most violent form of brainstorm, says the Chinese Annual. Love is the symptom of a disorder brain, as a nightmare is a symptom of a disordered stomach. It is a deadly contagious disease, for it turns the strongest head and makes the wisest man a fool. Indeed, there is no fool like an old fool who is affected with amoritis. When a man has contracted this love disease and is under its influence he acts in the most idiotic manner and performs all sorts of antics, all of which he entirely repudiates and repudiates when he is free from its hypnotic spell.

Perhaps there is no greater difference existing between the Chinese and the American people than that between their ideas of love. In fact, we Chinese do not believe in love, for we are not sickly, sentimental creatures, but cold, philosophical, fatalistic beings. We arrange our matrimonial affairs through the tender passion.

To us marriage is a serious business of the head and not a light affair of the heart. In these matrimonial transactions we apply the most rigid, keen, calculating business principles, and that is why we are so successful in the marriage enterprise, as we have never been banked by Cupid at the game of love.

We never pay homage at the altar of this stupid, brainless yellow kid, the disturber of peace, the breaker of hearts, the destroyer of homes and the promoter of affinity stock companies. We cannot tolerate his presence in China, as China is not a land of lovers. Consequently the cool, quiet hours of our midsummer nights are not disturbed or spoiled by hot air from the wooing and wooing of sentimental creatures.

Ex-Governor Raps Dress of Women. Former Governor R. B. Glenn of North Carolina, addressing 2,000 teachers of the Allegheny county teachers institute recently, made a plea to them to use their influence in securing reform in the manner of dressing by the women of the country. He attributed the spread of immorality to the present styles.

"My dear ladies," he said, "if you want to wear pants, wear them. Japanese women wear them and look pretty good in them. But if you insist upon wearing them wear pants with both legs in them and not with only one, as some of you are now trying to do."

### The Newest Collar.

A variation of the Robespierre collar which is precisely suited to a rather low cut afternoon frock has the double front covers of familiar type, but about the neck goes a collar composed of two flat, wide strips of lace all over and plated net or of hand embroidery frilled with lace. Only the upper edges of these strips join at center of front and back. From these they
