**Lord and Lady Decies on Way
To Church For Christening**

Photo by American Press Association.

THE christening of the daughter of Lord and Lady Decies, the latter
formerly Miss Vivien Gould, took place recently at the church at
Stoke Poges, England. The happy couple walked from their carriage
to the church, accompanied by the baby's nurse, who carried the in-
fant, as seen above. The names bestowed upon the child were Ellen Vivien
De La Poer, Ellen being a favorite name of Lady Decies, Vivien her own
Christian name and De La Poer a family name of the Beresfords. The god-
fathers were Lord Greville and Howard Gould and the godmothers Lady
Waterford and Mrs. Edward Lamb. The godmothers were not present, Mrs.
George J. Gould standing proxy for Lady Waterford and Mrs. Drexel for Mrs.
Lamb. The babe smiled loudly during the christening.

**Extraordinary That Political Capital
Should Be Made Out of Roose-
velt Incident.**

From the Chicago Daily News.

Extraordinary as it may seem,
various prominent supporters of Mr.
Roosevelt in the present political
campaign are laboring zealously to
make votes for their candidate by
deliberately accusing adherents of
other political leaders of having by
their attacks inspired a murderous
crank to shoot the leader of the pro-
gressive party. While the entire
nation rejoices that Mr. Roosevelt is
rallying from his wound, it can only
deplore the efforts of his misguided
partisans who seek to take advantage
of his providential escape from death
by raising a false issue.

If the criminal act of an insane
man were to decide the pending
election, or even appreciably to af-
fect the voting, why should not some
inscrupulous Republican hasten to
tempt a lunatic to shoot the Republi-
can party's candidate as a stroke of
effective campaigning? Why should
not the democratic candidate be laid
up with a gunshot wound for the
good of his party? This shocking
and intolerable suggestion can be
excused only because it discloses the
kind of logic that underlines the ef-
fort to make political capital out of
the Milwaukee crime.

Any attempt to turn that terrible
deed of a crazy man into national
issue overshadowing the real issues
is an effort to throw reason to the
winds and drive a majority of the
voters into a frenzy with pestiferous
claptrap.

THE COMB'S MORNING STORY

You know the story the comb tells.
It's a very discouraging story, too.
Day by day, a few more strands are ad-
ded, of hair that is turning grey, losing its
vitality, its strength and its health.
Grey hair is as unbecoming as old age.
Natural pride should have its own say.
You wish to look young and it is your
DUTY to appear so. You can't even LOOK
young if the silver threads begin to show.
Be a "Young Woman" in looks, always.
The grey hairs belong to the chaperon and
to the grandmother.
Stay out of the grandmother class, until
your years justify it, by using—

New Home Sewing Machines

Not much argument is necessary for a sewing
machine in every home. They mean less work,
Money saved on clothing and better things to wear.
The main question is where to buy the machine. You don't believe
in buying a cheap pair of scissors, do you? You know they would be
poorly tempered, made of poor steel so could not cut well and would
break easily. Neither would you pay four or five dollars simply because
they were a good brand.
Use the same judgment in buying a sewing machine. A cheap
machine is a waste of money, is bound to get out of order, cannot do
satisfactory work or last; still when you buy a machine from us you
pay nothing extra for our ability to sell you the best machine for the
money or for the name or reputation of the machine itself. All we ask
is a chance to demonstrate our machine before you.
