### Democratic Candidate For Representative

JACKSON AND DOUGLAS COUNTIES

#### For County Commissioner.

This announces my candidacy for re-election to the office of county commissioner. When I accepted the office from the people four years ago the county was \$70,000 in debt In the past four years more road and AMERICA—Meets in Maccabee bridge work has been accomplished Temple every 4th Friday of each than in all previous years of Douglas bridge work has been accomplished County history, and today we are debt free. I shall, if re-elected, persue the same course as to public improvements, at the same time carefully guarding the peoples' interests. Examine the records and satisfy yourself as to my record.

### Vote for Millage Bill Number 320 X Yes

It provides six-tenths of a mill tax for support of Agricultural College and Uni-versity of Oregon, giving them perma-ment support and taking them out of politics. It also provides one Board of Regents, thus solving the problems of co-operation, consolidation, division of contrast and economy of management.

It does not increase the average rate of faxation.

It repeals the \$500,000 Univer-sity appropriation bill. The Bill is endorsed by Covernor West: "This Bill is in the interest of good business and should pass."

By L. R. Alderman, State Superintendent Public Instruction: "Experience in other states shows millage bill prin-ciple to be correct."

By Will H. Daly, President, Cregor State Federation of Labor: "No arg ment can successfully combat the bene to the state that will follow the adoption of the millage tax plan."

Endorsed by Portland Tax Pay-

Bill prepared by committee of Gover-nor's Commission, Boards of Regents, and administrative officers of the two institutions.
