

THE SEALY

"The Wonderful Sleep Recipe"

The makers claim that the "Sealy" is the finest mattress in the mattress world. Will you believe them? If not, will you believe what we say, dealers in Roseburg for many years? And now if you still doubt, will you take up our trial offer?

We hereby offer to allow any customer to try the "Sealy" for sixty (60) nights. If the customer then does not believe that The Sealy is the Most Wonderful Sleep Recipe in the mattress world, we command him to return it to us free of all cost. What greater confidence can the makers show? What more can we do to prove to you our faith?

The Sealy is made of a single bat of cotton, the finest cotton in the world by the way. So good is the cotton that the mattress does not need a single tuft.

Twenty Year Guarantee

And more than this, the makers guarantee that the mattress will not become lumpy or lumpy for a period of 20 years. This means but a cost of \$1 a year for your mattress. That makes the mattress cheaper than pure excelsior, one of which lasts less than a year in an unsatisfactory condition. The Sealy is cheapest and the best in the world. If you will not believe the makers, or the dealer, then try the Sealy mattress for sixty nights.

Sutherlin went wet in our recent election much to the disappointment of many of our good citizens. Had our local paper taken a like attitude assumed by The Evening News, things might have gone differently. Sutherlin readers who depended on our local paper for news never had a hint that there was an important issue at stake, as no mention was made of it. We shall hope that two years' with the open saloon will cure the most ardent supporter.
