**MAKE US PROVE IT
WHEN WE SAY TO YOU**

in an advertisement that we can and will sell you better shoes
for the money than you can get elsewhere, MAKE US PROVE
IT. Make us "show you."

When any dealer claims to give you
better values than someone else make
him show you what he will give you
for a given sum, then come here, and
see the quality of shoes that we
will give you for the same amount.

We like to have you COMPARE our shoes with what you can get
elsewhere. We say to you "take this pair of shoes, match it"
in value if you can, and we'll buy it back from you.

We expect every man of good sound judgment to buy his shoes
where he can get the most actual value for the money he pays.

If we can show you that our shoes, at our prices, are the best
for you to buy, we expect to sell you. On the other hand, if you
can find anybody, any where, who will give you more actual
value for your money, we expect you to get your shoes there.

We wish that we could show every critical, discriminating
shoe buyer in Roseburg this winter the unusual values we
have to offer. If we could we'd do all the shoe business in town

We're ready to show you.
