MAKE YOUR PREMISES ATTRACTIVE.

Has it ever occurred to you that you could add \$500 in appearance to your home by giving the lawn a little better attention? A shade tree here, a flowering shrub there, a couple of roses of some good variety, perhaps a Wisteria or Clematis vine to relieve the plainness of some portion of the exterior of the house. Just a few things, don't crowd them, plant them NOW and a few months hence you will wonder why you hadn't done it long ago.

Notice our display right alongside the Rosedale store. We have some four-hundred different kinds of shade trees, shrubbery, vines and roses, every one of which is perfectly adapted to our climate and local conditions. We invite you to come and see them. We will be glad to tell you about them.

ITS A HOME YOU WANT—

When buying lots for a home you want the best. The difference of a few dollars' cost between an unfavorable location and a locality that has everything to commend it, will not be considered by the discriminating buyer. All we ask is an opportunity to show you our properties. Close in, within five minutes walk of school, land is rich river bottom and lies level, yet well drained. Particularly fine neighborhood, city water, lights and all conveniences. Phone 312-L and we will call with auto and show you the properties.
