MANUFACTURERS FAVOR ROSEBURG AND VICINITY

Nine of America's foremost piano
manufacturers have contracted with
Eilers Music House to sell one hun-
dred pianos in Roseburg and vicinity
before the 24. In turn, Eilers have
contracted to buy three pianos for
every one sold, making a total of
four hundred pianos, one hundred of
which must be sold in the next
eleven days.

To sell this enormous stock of
pianos in a very short time, requires
strenuous measures. To accomplish
this the manufacturers have appro-
priated nine thousand dollars of ad-
vertising funds to Roseburg and vi-
cinity, and sent their special adver-
tising manager, A. F. Scherfenberg,
to sell the one hundred pianos. Sell
means dispose of them at prices that
will make one hundred new friends
for the great firm, Eilers Music
House, and do it quick.

Prices No Object.

Because business in the United
States has been good only in a few
districts some of the largest and old-
est established makers of the best
grades of pianos were compelled to
unload surplus stocks. Eilers Music
House agreed to buy four hundred
of these pianos if the manufacturers
would contract to sell one hundred
in Roseburg and vicinity.

Terms Not Considered.

Thus these fine pianos have been

shipped to Roseburg and the factory's
representative is here to see that
they are sold. Prices and terms
will be no object.

Three Great Advantages.

It is no simple matter for us to
undertake to sell a large number of
extra pianos, and particularly the
costlier kinds, in addition to those
regularly contracted for by us. But
the contracts are signed and it must
be done.

First of all these additional fine
pianos will be sold at prices lower
than the ordinary small dealer has
to pay for them.

Secondly, we are making terms of
payment so extremely easy that any
home can arrange to get one; and
thirdly, cash is not necessary; your
credit is good. In fact, bring what
money you can spare as first pay-
ment; come in and talk it over at
once; any piano in the store will be
sold upon two and a half and three
year time.

Act quickly, come at once, now
that advertising money for the total
of four hundred pianos will be used
right here in Roseburg and vicinity
in the way of substantial discounts
in making prices to show you the
lowest and greatest savings.

ITEMS FROM MYNATTS.

We take pleasure in introducing
to the many readers of The News
the newly christened village "My-
natts" situated 5 miles south of Rose-
burg at the intersection of the Pacific
highway and Coos Bay roads and in
the midst of rapidly developing
young orchards, reinforced by acres
of small fruits and intensive vegeta-
bles and cereal farming and also
poultry raising on quite an exten-
sive scale. We have here a general
merchandise store, owned and op-
erated by Mr. Mynatt, for whom the
village is named, and over the store
the Grange hall of this district, and
we are expecting in the near future
the erection of a church and other
buildings for industrial purposes.
We want a good moral little village
and we look to all to help build
it up in that way.

There will be a Christmas tree in
the Grange hall. Every one is in-
vited and also help all they can to
honor our Saylor's birth.

Mrs. J. W. McDonald, who has
been quite poorly is improving slow-
ly. She is being treated by Dr.
Miller.

The French and Tindel Bros. are
farming on quite an extensive scale.
Besides putting in their home place
they have needed 40 acres of Grant
Smith's farm and are at present
putting in Mrs. Castle's large farm.

Dr. Fisk, our leading poultryman,
has some of his fine birds at the
poultry show and needless to say
will walk off with some of the blue
ribbons.

We are glad to welcome to our
valley Messrs. Claypool, Sellin, Par-
ker and their families. Two of the
parties have purchased tracts on the
Fisk Fruit Farm.

Grandpa Landers, who has been
quite sick for so long, is slowly im-
proving under Dr. Miller's care.

Miss Gerlie Workman has return-
ed home again.

Miss Renner is teaching a very
successful term of school at this
place.

The Glengary people have voted
a new school district and are to
erect a new school house this com-
ing spring.

M. M. Cooper's fine residence is
almost completed. Boys are you
posted?

Mr. Warner has been clearing some
ground for Robert Green.

Bert Green has been plowing on
his new tract.

Harry Winston is preparing to set
out a pear orchard in the valley.

We are sorry to chronicle the
death of our neighbor, Mr. John Pear-
son, who passed away the 9th. He
was an exemplary young man. He
leaves a wife and babe, father and

THE trouble with most practical gifts is that
they carry no expression of sentiment, with-
out which, any article no matter how useful or
valuable, is undesirable for a Christmas Gift.

A piece of furniture from our store however
combines every necessary feature of senti-
ment, good wishes, attractive comfort and
utility.

If you will only look over our stock and see the many
beautiful things that a few dollars will buy, you will at
once appreciate the advantage of selecting at least a
part of your Christmas things from our store.

They will bring more joy and lasting pleasure to the
person who receives them than anything you can buy.
