Ellow May Wilson, the two year-old daughter of Mr. and Mrs. H. G. Wilson, of North Roseburg, late yesterday sustained a fracture of the collarbone as the result of falling down a flight of stairs. According to Mr. Wilson the child was following its mother up the stairs to the second story of the home, when it suddenly

stumbled and rolled to the floor some distance below. Dr. E. B. Stewart was called and dressed the injury. Inasmuch as the patient is a child the attending physician believes the bone will mend quickly, and that she will regain use of the member in a short time. Yesterday's accident is the third of its kind to invade the Wilson home during the last fifteen months. In September 1911, Miss Mildred Wilson sustained a broken foot as the result of being thrown from a horse, while a few months later Herbert Wilson sustained a fracture of the arm as the result of being struck by an automobile crank.
