INSURE YOUR TEETH

By using the best tooth paste obtainable. Don't use ordinary tooth paste. Use—

Dike's Dentaseptic Cream

This is no ordinary tooth paste—it is a real tooth preservative—by using Dentaseptic Cream you are giving your teeth every chance—you are insuring them by giving them the best protection possible.

Dike's Dentaseptic Cream

Sweetens the breath, benefits the gums, whitens the teeth retarding decay—it does not scratch the teeth nor the fillings. Dike's Dentaseptic Cream comes in a big collapsible tube. 35c.

We recommend its use for children and growing ups.

ARON'S PHARMACY

A little girl by the name of Ethel Loch was brought to the office of Dr. Sether, Seelye and Stewart yesterday afternoon suffering from injuries sustained as the result of falling from a wagon in which she was riding. The accident occurred near Greens, and for a time it was thought the injuries sustained by the child were quite serious. Examination by the physician, however, revealed the fact that she
