

THE POLICEMAN IS ACCUSED. ONE OF THE MANY THRILLING MOMENTS IN THAT EXCEEDINGLY BUSY FARCE "OFFICER 666"

**OFFICER 666.**

When "Officer 666" appears at the Antlers theater October 4th local theatergoers will have afforded them the opportunity of witnessing one of the greatest farce comedy successes of New York's past season. Coming here almost direct from its year run at the Gaiety theater, New York City, the engagement of "Officer 666" will doubtless prove the comedy hit of the present season. This comedy, sensational in the laughing success it achieved on Broadway, is by Augustin MacHush, and in its three uproarious acts of clean, wholesome merriment, the author has crowded terse, brilliant dialogue, strikingly original

characters, a novel story evolved from an intricate but consistent plot, and a perfect whirlwind of absurdly funny situations and howling farcical complications, which it appears are impossible of entangling and straightening out. This is said to be one of the characteristic charms of Mr. MacHush's work. He always does the apparently illogical thing, for just as the audience has decided that a certain course of action is bound to follow a certain complication, he ingeniously makes use of one totally different and more effective. Following the present dramatic eraze for "crook plays," "Officer 666" is built around a crook, but from a basis of comedy. This crook is one Alfred Wilson, an

expert picture thief, who has plotted with a butler to obtain illegal possession of the most valuable paintings in the collection of Travers Gladwin, a millionaire art collector, who at the beginning of the conspiracy is in Europe. To better accomplish his design, Wilson poses as the absent Gladwin, falls in love with a lovely girl, who consents to elope with him to escape a hateful forced marriage with another. With this double plan about to be consummated, Gladwin secretly returns, learns of the butler's treachery and the girl's danger. Falling in love with her himself, he and his friends determine to frustrate Wilson's double plan, but in such a way as to avoid newspaper publicity for

the girl's sake. To do this he disguises himself as a policeman and becomes known as Officer 666. With this background of mistaken identities and conflicting motives the two men battle for the picture and the girl. First one of them and then the other gain a momentary advantage, which includes Gladwin's arrest as the real thief, but any certainty as to the ultimate outcome is skillfully hidden until the final scene. A superb cast of metropolitan comedians and a lavishly adequate production will be important factors in the interpretation of this thief comedy of continual laughter.

**BEAUTIFUL ENGLEWOOD RANCH**

A splendid property, on the main Umpqua river, and having marvelously fertile soil and climate conditions, with splendid timber and excellent domestic water piped throughout house, barn and numerous lots and feed corral. On account of the several surgical operations and the recent hospital experience of Mr. Engle, making it necessary for him to spend much of his time in hospitals, and for financial reasons, he has concluded to sell that splendid country estate. This is not an ordinary or even an average ranch; but has all the requirements of a first class country home, where one can have the maximum of both comfort and profit, and live there under excellent climatic and all other most satisfactory conditions. There are 870 acres, well improved and most productive, for general farming, stock, dairying and for all kinds of fruit and berries and is all garden land of the highest productiveness. Has about four miles of main Umpqua River frontage. The river bottom lands have twenty feet or more of excellent soil. No overflow. Soil on slopes and benches is also deep and rich, excellent for fruit and all farm and garden purposes.

The parks of spreading oak, and the fir forests, all in an excellent parking system, are the wonder and admiration of all nature-loving people who see this splendid ranch, which is in a class by itself. Write, phone or see J. M. Engle, or any of his family or the Englewood ranch for prices and terms, on part or all of the property. A very low price will be made for quick action.
