County Engineer M. B. Garrison went to Comstock this morning where he is inspecting the work done on Peck Creek canyon. On account of the delay in completing the road it will be boarded on an emergency basis next spring when it will be opened for traffic. Engineer Garrison says the road will be one of the finest in the county and is so constructed that it will withstand ordinary travel for all time.

It is stated that since the Douglas county rock crusher, grader, plow and steam road roller has been moved to Peck Creek canyon to participate in the work on the road, the court is certainly contemplating the re-boarding of the entire three miles of canyon road before going to the expense of removing and replacing the machinery at some future time. This would be the practical thing to do.—Cottage Grove Leader.
